**ORDER SEVERS JAPAN FROM ALL NATIONS**

**MacArthur Directs Tokyo To Cut Relations and Turn Over Its Diplomatic Properties**

**PURPOSE UNEXPLAINED**

Washington, Oct. 25—(P)—General MacArthur today ordered Japan to sever relations with all foreign governments and to turn over its diplomatic properties and papers throughout the world to the Allied powers.

The order, issued "by direction of the Allied powers," told the Japanese government to recall "immediately" its diplomatic and consular representatives home from neutral countries.

Purpose of the order, other than the apparent one of revealing to the Allies all Japan's diplomatic and consular secrets, was not disclosed. It came to MacArthur from the joint chiefs of staff at Washington.

Official explanation for the drastic order was not immediately available from Washington sources.

In its sweeping implications, the order was comparable to one issued by MacArthur a few weeks ago, in which he directed that all records of Japan's banking and industrial concerns which had furthered that nation's imperialistic ambitions be delivered to occupation authorities.

The directive followed close upon criticism from Moscow to the effect that with the demobilization of Japan's armed forces, the occupation policies in the conquered nation should be directed by a four-powered control commission instead of by MacArthur.

The order called for "prompt compliance" by the Japanese government of the following requirements:

1. In the United Kingdom, Russia, China, the United States, France, the Netherlands and the colonies, Japan must turn over "intact and without delay" to the governments of those countries all diplomatic and consular archives and property.
2. In other countries, where Sweden or Switzerland are acting as protecting powers over Japanese interests, the defeated nation's property and archives must be delivered to representatives of "the four Allied powers" who have been instructed to receive them. The protecting powers, however, shall continue to watch over interests of Japanese nationals.
3. In all neutral countries, the Japanese missions must surrender papers and property to designated representatives of the four Allied powers. Sweden or Switzerland may be requested by Japan to protect Japanese interests in these countries.
4. The Japanese government must "immediately" recall its representatives from all countries.

The Japanese government must "immediately" recall its representatives from all countries.

**Wage-Price Policy May Be Passed On**

Washington, Oct. 25—(AP)—The door was open today for President Truman to pass the vexing problem of a new wage-price policy to the forthcoming labor-management peace conference.

A committee planning the agenda for the meeting suggested that wages would be proper topics for discussion by the delegates.

Their Nov. 5 meeting was called primarily to find a means of settling labor disputes after the war labor board goes out of existence.

Mr. Truman was expected to announce the agenda today and to make an accompanying statement.

It was learned unofficially that the committee had suggested a seven-point discussion program touching only on labor relations, bargaining and avoidance of strikes.

It added, however, there was no thought of limiting the talks to these points and that such matters as wages, hours, full employment and labor legislation might well be brought before the industry and labor leaders.

**Multi-Billion Tax Cutting Bill Passes the Senate by Voice Vote and Goes to Committee**

By FRANCIS J. KELLY  
Washington, Oct. 25—(P)—The senate's \$5,788,000,000 tax reduction bill, fundamentally different from the \$5,350,000,000 measure passed by the house, headed today for a conference committee which will adjust the variations.

The senate took a seven-hour look at its finance committee's handiwork, added another \$155,000,000 of relief, then passed the bill by a voice vote.

The senate bill proposes to relieve individual income taxpayers by \$2,644,000,000 next year, corporations by \$2,934,000,000, and owners of automobiles and boats by \$140,000,000 through repeal of the use tax.

In addition, it would repeal \$70,000,000 in excess taxes, on such things as stoves, cameras and sporting goods, imposed in 1941 to discourage the use of scarce materials.

The house bill called for cutting taxes of individuals by \$2,627,000,000, corporations \$1,888,000,000, car and boat owners \$140,000,000, and excise taxes \$695,000,000, through repeal of the wartime levies on luxury and semi-luxury products and through refund of the tax on floor stocks of liquor and light bulbs.

After the house goes through the formalities of rejecting the senate changes, the house and senate conference committee will get together—probably Friday—to work out the final form of the legislation.

House and senate versions vary so widely in so many particulars that the conference committee is expected virtually to rewrite the measure.

Speed is essential. Internal revenue officials would like to know the final form of the bill by Nov. 1 so they can prepare and send out revised withholding tables and tax blanks to offices all over the country.

The tax cut would apply to next year's income; the tax bill on this year's income will be figured on present law.

In effect, though not in method, the two houses were not far apart in the individual income tax cuts.

The senate bill is estimated to reduce the burden \$2,644,000,000, the house bill \$2,627,000,000.

Both start in by allowing payers of the 3 per cent normal tax the exemptions granted surtax payers (\$500 apiece for the taxpayer and each dependent). The house voted to trim 4 percentage points off each of the graduated surtax rates. The senate said take off 3 percentage points, then reduce the tax thus computed by 5 per cent.

The result, in the case of 32,000,000 first-surtax-bracket taxpayers, is the same—a combined normal and surtax rate of 19 per cent on taxable income above exemptions, instead of 23 per cent under present law.

**Adm. Nagano Admits Blame For Jap War**

Tokyo, Oct. 25—(P)—Fleet Admiral Osumi Nagano—the man who gave the order starting the Pacific war—said today that a formal declaration of war was to have preceded Japan's attack on Pearl Harbor by one-half hour, but "for some unknown reason" the vital message was delayed in Tokyo.

The attack, he said in an exclusive Associated Press interview, "achieved far greater success than I had expected," and was not a military blunder.

Nagano, Japan's wartime chief of navy staff, accepted "full responsibility" for making the decision to attack, after a bitter internal controversy in which some admirals asserted that the plan was "too dangerous," he added.

He declared that he and other navy officers expected Japan's declaration of war to precede the attack on Pearl Harbor by 30 minutes. He did not elaborate on his comment that it had been delayed in Tokyo "for some unknown reason." His comment seemed to imply, however, deliberate stalling.

The 65-year-old admiral, now living quietly on the edge of Tokyo, said he expected to be prosecuted as a war criminal for his share in the war, which he said included:

- Breaking the deadlock between admirals urging that the first attack be made on Java and Malaya, and those advocating a first attack on Pearl Harbor;
- Issuing orders for departure of the attacking fleet, although the late Admiral Isoroku Yamamoto decided the sailing date, Nov. 26;
- Issuing orders on Dec. 4 or 5 "to use our martial might on Dec. 8, 1941 (Tokyo time; Dec. 7, U. S. time)."

**BOY SHOOTS FATHER IN TUSSELE FOR GUN**

Gettysburg, Oct. 25—(P)—Coroner C. G. Crist reported that Warwick Scott, 56, was fatally wounded last night while struggling with his 16-year-old son for possession of a shotgun on their farm near York Springs.

Dr. Crist said the son, Burke C. Scott, was being detained for questioning during the investigation. The coroner said no charges have been filed against the son.

Dr. Crist said the shooting occurred when the father tried to take the gun from the son.

The elder Scott died about 15 minutes after the shooting. The charge from the shotgun pierced his right lung.

**ASPHYXIATED IN HOME**

Philadelphia, Oct. 25—(P)—A 62-year-old Pennsylvania Railroad clerk, who planned to retire soon after 40 years service, was asphyxiated today when coal gas from a basement furnace filled the first floor of an apartment house, Policeman Benjamin Miller reported.

Miller said Benjamin Switzer died after an attempt to rescue his landlady, Mrs. Laura Luke, 57, who was revived at a hospital.

Pittsburgh, Oct. 25—(P)—Dr. Paul Russell Anderson, 38, formerly dean of Lawrence College in Wisconsin, was installed yesterday as the eleventh president of Pennsylvania College for Women—the youngest college ever to hold the office.

**Recreational Expert Coming To Survey Memorial Situation**

A further procedure for the erection of a war memorial to Warren county men who served and died in World War II was announced today by Mrs. Walter Mathyer, president of the Warren Community Council PTA.

Mrs. Mathyer stated that the council has requested Charles W. Taylor, field representative of the National Recreation Association, to come here for the purpose of assisting in the council's drive for a memorial stadium on the Valvone property on Lexington avenue.

She added that Taylor would arrive here next Tuesday and immediately begin the task of simplifying the plans and giving information as to costs.

Taylor, whose offices are located in Ann Arbor, Michigan, is expected to bring with him estimates for the various types of war memorials in towns the size of Warren.

The National Recreation Association, New York City, of which Mr. Taylor is a representative, has had a vast assignment during the three and one-half years of war. The NRA was called upon by the government to aid in the planning of recreation for both the army and navy. It has also spent much of its time aiding in the planning and erection of memorials, has gathered much data on the subject, and is more than willing to aid here.

Taylor has visited Warren on numerous occasions in the past two years. He was first called upon when community recreation was in its infancy, and he has aided extensively in building up the local program.

Taylor's field work covers several states, including northwest Pennsylvania, Ohio and Michigan. He has been aiding the community program at Bradford, as well as in many other towns.

**Gen. Spaatz Is Boomed For Governorship**

Philadelphia, Oct. 25—(AP)—Pennsylvania Democrats may try to coax Lt. Gen. Carl A. Spaatz, who commanded U. S. Army Air Forces in Europe and later in the Pacific, to enter the 1946 gubernatorial race.

The general was a guest of high party leaders last night at a \$100-a-plate dinner.

Following an introduction, someone shouted "the next governor of Pennsylvania." Others joined in the outburst. There were repeated demands for a speech.

Still in service, the general declined to speak.

U. S. Senator Sheridan Downey (D-Calif.), told the 1,125 present: "I sincerely hope that the courageous and inspiring leadership shown by General Spaatz in war some day soon may be brought into public and political life."

Gen. Spaatz is a native Pennsylvanian.

Gov. Edward Martin, a Republican and a retired major general, cannot succeed himself under the state constitution.

The dinner was held in connection with the Nov. 6 election campaign.

**ELECTRIC ROLL CALL MACHINE IS PLANNED**

Harrisburg, Oct. 25—(AP)—Plans are under way to make light work of roll calls in the Pennsylvania house of representatives.

Bids will be opened on a new electrical roll call system whereby members will press buttons to record their "ayes" or "nays" in lights on a large board.

The 1945 legislature appropriated \$75,000 for the system and authorized its installation before the convening of the 1947 general assembly.

It is estimated by Rep. Charles H. Brunner, Jr., that the button system will save at least six minutes in recording votes of the 208 members.

**STATE INVESTIGATING BETHLEHEM TRAGEDY**

Harrisburg, Oct. 25—(AP)—A complete investigation of the causes of the Bethlehem Steel company's gas tragedy at Bethlehem in which eight have died, is being made by the state department of labor and industry, Secretary William H. Chesnut said today.

"Our inspectors are going into it very carefully but I haven't received their report yet," Chesnut said.

He added the inquiry is not being made with the intent of persecuting anybody but "to try to fix things so it won't occur again."

**Produce Workers May End Walkout**

Pittsburgh, Oct. 25—(AP)—M. J. O'Connell, assistant director of the U. S. Conciliation Service, declared today that an agreement had been reached between AFL union leaders and representatives of 86 major wholesalers which may end Pittsburgh's costly 28-day produce yard strike.

O'Connell refused to disclose the settlement terms but said they will be submitted tomorrow to principals in the dispute. He added that "in all likelihood, they will be accepted," and that if so he expected the 450 strikers to return to their jobs by Monday.

The strike was called to enforce the union's demands for reopening a contract signed last spring in which the union agreed not to organize hucksters and small storekeepers who haul supplies from the produce yards.

Four retail dealers, members of the Independent Association of Ruit and Produce Merchants, obtained common pleas court writs of replevin and removed their own goods from a warehouse during the strike. Dozens of other small dealers hauled goods from refrigerator cars on railroad sidings at Glassport and McKeesport.

**DEEPEST TEST OIL WELL IS PLUGGED**

Houston, Tex., Oct. 25—(AP)—The world's deepest oil test well has been plugged and abandoned as a failure.

The test, Phillips Petroleum No. 2 Fanny Schoeppe, in the Millican area of Grimes county, Tex., was drilled to a total depth of 16,665 feet. It had some slight show of oil and gas, but not enough to warrant commercial production. Yesterday the Phillips Company asked permission of the Oil and Gas Division to plug and abandon the hole.

**POINTS CUT ON BUTTER, SHORTENINGS**

Margarine, Lard and Oils Are Included in Slash in Values Effective Next Sunday

MEATS TO REMAIN SAME

Washington, Oct. 25—(AP)—The OPA announced today that ration values on butter, margarine, lard, shortening and oils will be cut four points a pound next Sunday.

For all of these products the new value, effective through Dec. 1, will be eight points a pound.

Current point costs will be maintained during the new period for all prime cuts of beef, veal and lamb and for lean cuts of pork. Lower grades of beef, veal and lamb will continue ration-free.

The only meat changes are reductions of two to four points a pound for six fatty pork cuts and for barbecued pork.

The point reduction for butter, margarine and other fats and oils are possible because of a much improved supply situation, said OPA Administrator Chester Bowles.

There will be about 12 per cent more butter in November than during this month, chiefly because of release of 80,000,000 pounds by the army, Bowles said. Lard supplies are expected to be up about 39 per cent from heavier marketing of hogs.

Over-all meat supplies next month will be about one-half of one per cent less than in October and "therefore x x x do not permit the end of rationing," the OPA chief said.

He said foreign allocations had not been met in full this month, and for this reason it would be necessary to dip deeper into the November meat supply. Meat set-asides were re-instated recently to assume fulfillment of foreign commitments.

The fat cuts of pork assigned lower point values include backs, plates, jowls, and bacon plates and jowls. Regular bacon remains at six points a pound.

Five more stamps in ration book four will become valid Nov. 1 for buying meats and fats. These include the last four red stamps—VI, XI, YI and ZI—and green stamp N8, the top-right coupon on the last sheet of green stamps remaining in book four.

If rationing continues in December, five more green stamps will be validated at the start of that month, OPA said.

**Corporation Is Suing Union For 2 Million**

Philadelphia, Oct. 25—(P)—The SKF Industries, Inc., has involved a 104-year-old state law to protect strike-bound property from damage.

The action came after the company filed suit in court for \$2,000,000 damages against Local 2898, United Steel Workers of America (CIO), and seven of its officials, and sought a court injunction to break picket lines.

The strikers' picket line outside the main SKF plant was increased to about 1,000 men and women this morning and again it barred entrance by plant executives and office workers.

Reinforced police persuaded those blocked to turn back and there was no disorder.

In SKF's suit, Attorneys Frank B. Murdoch and Harry A. Kalish told Police Superintendent Howard Kathryn, 38, and Sheriff Mehan that under the riot act of May 31, 1941, the company will hold peace officers and the sheriff responsible for damages to property.

A hearing will be held Monday on the company's request for an injunction to halt picketing.

The company contends that the strike is a violation of its contract with the union.

**MAN CHARGED WITH KILLING HIS WIFE**

Somerset, Oct. 25—(P)—District Attorney Paul Fike said a murder charge will be filed today against Frank Burkholder, 43, coal miner of Garrettsville, who was indicted yesterday at the home of a neighbor as the result of a beating suffered three days before.

Somerset County Coroner Philip C. Dosh said the woman died from "severely injured brain tissue."

Burkholder has been held in the Meyersdale jail, pending removal to the Somerset county jail here.

**TRAFFIC COP OFFERED TRYOUT IN MOVIES**

Lancaster, Oct. 25—(P)—Donald E. Wireback, red-headed traffic cop, says he has a motion picture offer, but it must be a joke.

The offer for a tryout, said the 36-year-old husky policeman, came from "Boris Karloff, talent scout for Paramount Pictures, Inc."

"I think Paramount has been misinformed by someone who is trying to play a joke on me," he said.

"I think it is ridiculous," commented his wife.

**FUGITIVE SURRENDERS**

New York, Oct. 25—(AP)—A blond, heavy-set man, dressed in bedraggled, muddy clothing, staggered into the Brooklyn Wandy store of Louis Dvorkin today and said in a hoarse voice: "Cop, get cop." Dvorkin called police, who identified the man as Wilhelm Schmidt, escaped German prisoner of war from a camp at Gettysburg, Pa. Tired and hungry, Schmidt was turned over to the FBI.

**Injunction Is Filed Against Rural Electric**

Harrisburg, Oct. 25—(P)—A proposed western Pennsylvania Rural Electric Cooperative seeking incorporation today faced an injunction filed against the move by the Pennsylvania Electric Company, Johnstown.

The Johnstown utility, for the second time in three months, asked Dauphin county court to enjoin Commonwealth Secretary Charles M. Morrison from issuing a certificate of incorporation to Allegheny Electric Cooperative, Inc., Parke's Landing, Armstrong county.

First raised in July when the Allegheny group originally sought incorporation papers, the issue concerns whether Pennsylvania law permits chartering of a Rural Electric Cooperative to generate power in competition with private utilities.

Pennsylvania Electric contended the law does not when it filed injunction proceedings.

Allegheny Cooperative later withdrew its request for incorporation, but renewed it recently. It was to this second petition Pennsylvania Electric answered Wednesday.

If the new company is incorporated, the utility alleges, it will duplicate Pennsylvania Electric's own business of supplying power to numerous small firms in western Pennsylvania.

In addition, the Johnstown firm said incorporation of the cooperative would cause "damage and loss" to the farmer.

The Cooperative proposes to construct an electric generating plant and sell energy to seven western Pennsylvania Cooperatives, the utility asserted, listing them as:

- Jefferson Electric Cooperative, Southwestern Central Rural Electric Cooperative Corporation, Northwestern Rural Electric Cooperative Association, Central Electric Cooperative and the Valley Rural Electric Cooperative.

**CONTRACT FOR NEGRO PLAYER IS DISCUSSED**

Durham, N. C., Oct. 25—(P)—President W. G. Gramham of the minor leagues said here today he would probably approve the contract of Jackie Robinson, negro baseball player, with Montreal, just as that of any other player.

At the same time he raised a question as to the propriety of negro leagues being "raided" by their players by other leagues.

Bramham's views were given out in the form of an interview through the public relations office of the National Association of Professional Baseball Leagues, which he has headed for many years.

**PITTSBURGH'S PARK PLAN TO BE STARTED**

Harrisburg, Oct. 25—(P)—Governor Martin ordered today the immediate start of a \$58,700,000 development program for Pittsburgh, including a 10 or 11 acre historic park in the heart of the city.

"It is my firm purpose and intention that the improvements x x x be so far proceeded with by the time the administration expires," Martin said in a statement. "That the commonwealth will be unqualifiedly committed to their completion."

**MOTOR INDUSTRIES UNION TO HOLD THIRD VOTE IN FORD FACTORIES ON NOVEMBER 7**

First Tabulations Show Members Favor Strike By a Majority of 8 to 1, With More Than 20-1 Landslides in Other Cities

**DISPUTE IN MOTION PICTURE CENTER TERMINATES**

Automobile workers in 22 Chrysler Corporation plants marked strike ballots today as an early count of votes among some of the 350,000 General Motors employees in a similar poll indicated an overwhelming majority in favor of a work stoppage.

Final results of yesterday's vote on the strike issue, which is part of the CIO United Automobile Workers campaign to obtain a 30 per cent wage rate increase for a half million motor industry employees, were expected to be announced later today. The union's third vote will be held among Ford Motor Company workers on November 7.

A union spokesman in Detroit estimated about 100,000 voted, including about 50,000 in the Detroit area. First tabulations showed workers favored a strike by a majority of more than 8 to 1, with more than 20-1 landslides reported at the big corporation's plants in St. Louis, Atlanta, Ga., and Memphis, Tenn.

The ending of the eight months old strike of motion picture workers in Hollywood—which union leaders estimated cost workers \$15,000,000 in wages—afforded the other major news along the nation's labor front in the last 24 hours. The number idle over labor disputes remained virtually unchanged at around 225,000.

In Detroit, General Motors Corporation officials, as well as CIO-UAW leaders, although still far from agreement in their wage dispute, expressed hope that no strike would be called.

Although the AFL executive council in Cincinnati called off the strike of movie workers, a union leader in Hollywood said he would decide today on whether picketing is to continue at Varner Brothers studio. Warners is not a member of the Motion Picture Producers and Distributors Association nor the Independent Picture Producers, whose leaders, Eric Johnston and Donald Nelson, had met with the AFL executive committee in attempts to effect a settlement.

The 7,000 workers affected by the prolonged walkout were expected to be back on their jobs by Monday at the latest, but issues involved in the jurisdictional dispute were not expected to be ironed out for some time.

**O.P.A. Target Of Sharp Fire Of Republicans**

Washington, Oct. 25—(P)—The OPA came under sharp Republican fire today for enclosing printed arguments on holding the price line in envelopes containing army allotment checks.

Speaking directly to Price Administrator Chester Bowles at a senate banking committee hearing, Senator Taft (R-Ohio) declared: "You are propagandizing for continuance of OPA. You are trying to stir up all the people of the United States against the business people."

Bowles replied that the material merely said that inflation is a bad thing.

"Is anything wrong with that?" he asked. "Is it debatable?"

Taft countered that the printed slips had no business in army allotment envelopes and noted particularly they said consumers should refuse to pay a penny over price ceilings.

Senator Millikin (R-Colo.) remarked the law setting up the Office of Price Administration "doesn't say to put throwaways in military envelopes."

Chairman Wagner (D-N. Y.) interjected that he was "glad OPA did it."

Broadly, Taft hurled this accusation: "The attitude of OPA today is that every business man is a crook until he proves otherwise—that is (Turn to Page Thirteen)"

**Bronze Star Medal For Joe E. Brown**

Chicago, Oct. 25—(P)—Comedian Joe E. Brown shed his patter of laugh provoking gags as the familiar role of star was thrust upon the movies' funny man at a testimonial dinner to Federal Judge Michael L. Igoe.

Brown, who tramped in combat theaters to entertain thousands of American servicemen, last night was awarded the Bronze Star Medal, the highest military award for a civilian.

It was pinned on Brown, who was master of ceremonies, after a surprise announcement of the honor, by Brig. Gen. E. B. Seebree, representing Gen. Jacob L. Devers, commanding general of the Army Ground Forces and formerly commander of the Sixth Army Group in the European theater of operations.

The medal was in recognition of the comedian's "meritorious achievements" in entertaining more than 100,000 American soldiers in North Africa, Sicily and Italy in 1944.

**Job Legislation Future Uncertain**

Washington, Oct. 25—(P)—President Truman was told today that he will have to trim his sails if he expects to get postwar employment legislation through congress.

The suggestion came from Chairman Manasco (D-Ala.) of the house committee on executive department expenditures, who called at the White House. The committee is now conducting hearings on the president's "full employment" bill.

Leaving his conference with Mr. Truman, Manasco told reporters that the measure will have a "lot of amending" before it will meet with congressional approval.

Several key legislators said they had heard Mr. Truman planned to "go to bat" for the measure. It has been stalled in the house expenditures committee ever since it passed the senate more than a month ago.

**Film Star Shunned As C. O. Is Praised By His Buddies**

San Francisco, Oct. 25—(AP)—Sgt. Lew Ayres, former film star shunned by the public when he refused to bear arms as a conscientious objector, is back in his homeland today—a soldier praised by his buddies as "a good guy and a good G.I."

Yellowed from atabrine and looking older than his 36 years, Ayres said he was uncertain about his future.

"I don't mean to be evasive about my plans, but just now I have the bewildered look and feelings of any soldier coming back through the Golden Gate," he grinned.

Typical of the change in public feeling toward Ayres was his reception here when he walked down the gangplank of the transport Cape Meares after 22 months of service in the southwest Pacific.

It was a friendly and curious crowd that applauded him a little more loudly than it did the other 1,756 army men who debarked from the ship.

He is not as ready to enter the ministry as reports from overseas had indicated: "I want to do something more directly."

His early views on non-combatancy have been modified, but he never carried a weapon in his three and a half years of army service.

Ayres, who won fame as a German private in "All Quiet on the Western Front" and is "Dr. Killdare" in a later series of films, incurred public disfavor when he listed himself in the early days of the war as a "conscientious objector."

He was sent to a camp at Wyeth, Ore., but later joined the armed forces as a non-combatant.

## Kiwanians Hear Rev. Payne Chaplain at Famed Child City

Rev. C. D. Payne, Protestant chaplain at Mooseheart, was guest speaker for the luncheon-meeting of Kiwanis Club at the Hotel Carver on Wednesday, giving members some data on juvenile delinquency which had been gleaned through his years of work with young people.

Stating that all crime stems from a "need" and that need varies with the group from which the criminal comes, he stressed his belief that the three major requirements of these groups are security, recognition and encouragement. Some individuals attain these needs in different ways, providing the many reasons why the criminal kills, steals, etc.

The speaker really summed up all his other arguments in the simple statement that no person is born a criminal, and that personalities are quite often first ruined through lack of affection in early life.

Announcement was made that Warren members and their wives will make up a sizeable representation for the 10th anniversary party being held next Monday evening, October 29, by the Kane Kiwanis Club, since that unit was fostered and organized by the local group.

Guests this week were A. J. McDonald and Walter Kiser, Moose Lodge members who accompanied Rev. Payne; Stanley Whitcomb, of Pittsburgh, and C. E. Bartholomew.

At last week's luncheon-meeting members enjoyed a fine talk by John Finley, of Erie, division freight agent for the Pennsylvania Railroad Company.

At the close of his talk, the group had a better understanding of the conditions that have given the Renovo Division the nickname or "The Rocky Road to Dublin". He explained that thousands of tons of ore have been handled and are still going over the local division lines. This, coupled with the fact that manpower has been reduced about one-third by losses to the armed services, accounts for the fact that the lines are now in sub-par condition.

Mr. Finley really had two subjects, the second having to do with his recollections of the period when he was manager of the San Francisco Division office of the PRR, a position which gave him opportunity of covering the state thoroughly and frequently.

He spoke of the tremendous increase in population of the west coast through war's program, shipbuilding and aircraft industry.

## Pennsy Patrons Want Present Type of Pullmans Retained

Considerable concern is being expressed by the many Warren users of the Pennsylvania Railroad over the probability of the discontinuance of the new type Pullman car which has been used between here and New York and Washington for the past several months.

Since the time when the over-enthusiasm ruled out the use of Pullmans on trips of less than 450 miles, Warren travelers on the Pennsylvania Railroad have enjoyed a brand of Pullman service which, to say the least, was a big improvement over the antiquated accommodations heretofore available. The new type car—at least "new" on this run but "old" on many shorter ones—features five convenient private bedrooms, improved berths, air-conditioning and other "modern" railway conveniences.

However, it has recently developed that when the O.D.T. 450-mile limitation is called off, Warren people going to Washington or New York will have to go back in the old-time antique all-berth Pullmans, while the newer, more comfortable cars now have will be diverted to shorter runs.

In a statement to the Times-Mirror today, one prominent businessman, who has been making frequent use of this run for the past 40 years, observed that the discontinuance of the new-type Pullman would very likely react to the disadvantage of the Pennsylvania Railroad, for the New York Central out of Westfield and Erie out of Jamestown have the bedroom, low-cost roomette or modernized open-berth accommodations which are greatly preferred.

"The Pennsy is a good road," he commented, "and it is important to every citizen of this community

whether he rides Pullmans or not, but it is not indispensable on trips to New York and other eastern cities. We would use it a great deal more if the railway officials are not going to take away the first decent break we have had so far as Pullman accommodations are concerned and force us to seek the accommodations we went by starting our trips from one of the two nearby New York State points." Travelers from other towns, including Oil City, have expressed similar concern, and it is understood that several have taken up the matter with C. H. Mathews, Jr., passenger traffic manager of the Pennsylvania Railroad in Philadelphia.

## Scout Rally Tonight Will Be Big Event

Plans for the Fall Round Up Rally and Court of Honor Program to be held this evening at Beatty School it was learned this morning from Nick Andersen, director of the program. The program is being sponsored and run jointly by the Camping and Activities Committee and the Scout Advancement Committee of the Warren County Council Boy Scouts of America. A large delegation of Scouts, Cubs, and their parents and friends are expected to participate in the program.

The program of the Rally, under Mr. Andersen's direction will include a grand entry of all the Scouts and Cubs, a Cub Show, contests in "fire-by-friction", fire making by flint and steel, both horse and semaphore signaling, a first air race, an obstacle race, and a demonstration of the proper method of making and carrying a pack.

The men giving leadership to the various parts of the rally are: direction of the music, F. H. Hetrick; the grand entry, Gilbert M. Sanford; the roll call and score keeping, R. L. Endress; The Cub Show, J. C. Ellis; the pack making demonstration, J. S. Pess. In charge of the competitive events will be C. W. Barvis, assisted by J. E. Hazeltine, Jr., J. W. Wilson, Burr Garvin, Brackett Ayers, William Lightner, Carl Werner, Ralph A. Harrah. Chairman of the Ushers will be C. L. Thompson. Announcer will be B. W. Knapp, and Fred Watt has been in charge of preliminary physical arrangements.

The Court of Honor will follow the various events included in the rally and will be under the leadership of H. L. Blair, Chairman, and assisted by C. C. Winans, William M. Hill, H. L. Banghart, Nick Andersen, Bert Levinson, and B. W. Knapp.

## Proclamation Of Election Printed Today

Elsewhere in this issue today appears the proclamation issued by the county commissioners in compliance with the provisions of the act of assembly of such cases, calling attention to the election to be held Tuesday, November 6, between the hours of seven a. m. and eight p. m.

Every qualified voter should consider it his duty to read the proclamation for the information that is contained therein. It is generally conceded that one of the quietest elections in the history of the county is coming to a close, and predictions are being made that less than 25 per cent of the voters will turn out in the state.

New voters are acquainted with the election details, and it is surprising how many fail to realize that there is a contest for all state and county offices. Attention should also be called to the four proposed amendments which are of vital importance to all citizens of the commonwealth. These are outlined briefly in the proclamation which will be found on page 10 of this issue.

The list of candidates for state and county officers follows: Judge of Superior Court—A. Marshall Thompson and John Morgan Davis, Democratic; John C. Arnold and W. Heber Dithrich, Republican and American Labor; Charles Palmer and C. Wilfred Conrad, Prohibition.

Register and Recorder and Clerk of the Orphans Court—Harry C. West, Democratic; Donald E. Schuler, Republican. District Attorney—C. Henry Nicholson, Democratic; Myer A. Kornreich, Republican. Coroner—John D. Haggerty, Democratic; Ed C. Lowrey, Republican.

## New Engineer Appointed In Warren Area

Col. Walter E. Lorence has been appointed as Chief Engineer for the Pittsburgh District, reporting for duty October 17 and relieving Lt. Col. Charles M. Wellons, acting district engineer.

With the cessation of hostilities, the Corps of Engineers will again assume the normal role of improvements and new construction in connection with river, harbor and flood control projects. As you are aware, most of the civil construction was suspended during wartime and Colonel Lorence will supervise the resumption of this work, as well as an extensive postwar program.

### Is Promoted In Yokohama

Headquarters of the American Infantry Division of the 8th Army, near Yokohama, report that Peter J. Orinko, 58 Deer Lick street, Sheffield, has been promoted to technician fifth grade, from private first class, while serving with some of the first American forces to occupy Japan.

The Keystone State corporal is a member of the 26th Signal Company with the American Infantry Division and is stationed near the town of Fuchinohe approximately equi-distant from Yokohama and Tokyo. His veteran division, the American, reached the Japanese homeland less than a week after the surrender terms were signed. It was among the first infantry divisions to land, preceded only by the 1st Cavalry and 11th Airborne divisions.

The American Division steamed into Tokyo Bay just three years, seven months and sixteen days after its leading elements left the United States for the Pacific. At Guadalcanal the American became the first army ground unit to take the offensive in the war and later fought for eleven months on Bougainville. In the Philippine Islands campaign the division invaded Cebu, Bohol, Negros, and other lesser islands off southern Luzon as well as in the Visayan group, and participated in the mop-up operations on Leyte, Samar, and Mindanao.

Lt. Edward Langhans, son of Mr. and Mrs. A. M. Langhans, Crescent Park, left this morning for Goldsboro, N. C., for reassignment, having enjoyed a leave at home after a tour of overseas duty.

**CHARLES T. JONES**  
DISCHARGED FROM ARMY  
Ward received today from Fort Knox, Ky., that T/3 Charles T. Jones, 22 Church street, North Warren, was honorably discharged from the army on October 22 at the separation point at the center.

**CHARLES DEFOREST**  
HONORABLY DISCHARGED  
Charles DeForest, son of Mrs. May E. DeForest, Market street, was honorably discharged from military service at the Indian town Gap separation center on October 20.

Mr. and Mrs. Glen Pierce, Pleasant township, received word Monday morning that their son, James E. Pierce, is now at the naval air base at Norfolk, Va.

### Personal Paragraphs

### "Finger of God" Is Radio Play Choice

The Finger of God, by Percival Wilde, is the radio drama which will be presented by The Warren Players on the Sunday afternoon program sponsored by the Metzger-Wright Company. The play is an impressive one and has been successfully produced on national network programs. The Finger of God was also produced in the Warren Players Studio Workshop.

In the cast are Anne Krantz Hyatt, Duane Wilder, and Robert Whitehill. Both Anne Hyatt and Duane Wilder have made previous radio appearances, although it will be Mrs. Hyatt's first role in the present drama series.

Tomorrow evening there will be auditions for the November 4th radio drama, The Happy Journey to Trenton and Camden by Thornton Wilder. Casting will also be completed for The Drums of Oude, by Austin Strong, the play planned for production on November 11th.

The auditions will be held at 8:30 o'clock at 438 Pennsylvania avenue, west. The cast of The Happy Journey calls for a narrator, one man, two women, a boy and girl. The Drums of Oude calls for one woman and four men.

Anyone who does not find it possible to attend tomorrow evening's auditions is asked to call for private auditions, which may be arranged with the director of the series, Olive Archibald Huff.

### Social Events

## Some Facts You Should Know About the Suit Shortage

**Veterans' Demand For "Civvies" Growing** A good part of the steadily growing demand for suits is due to the stepped-up discharge rate of servicemen. This buying will increase with the intended freeing of 1,500,000 men in November and December.

**Civilians Replace War-Worn Outfits** Patriotic civilians didn't make normal replacement in their wardrobes during the war and are making those deferred purchases now.

**Labor Shortage a Big Factor** The entire clothing industry has trouble getting help. It needs thousands more workers of all skills.

**Production Slow** It takes 6 weeks after the cloth reaches the clothing factories before it appears as suits. And because linings, buttons, trimmings and bindings are all short, the time before you see a finished product is lengthened.

**We Want You to Know** that The Printz Company is doing everything in its power to bring you the best available. We have at no time sacrificed our high standard of quality to bring you "quantity." The manufacturers we buy from, many of whom are the most famous in the men's clothing industry, promise us deliveries as big and as often as they can humanly make them. If you need a new suit and can't find exactly what you're looking for the first time you stop in, try again—we'll do everything we can to help you.

### Obituary

Unless otherwise stated, visiting hours at Warren's funeral homes are from 10 a. m. to 12; 2 to 4 and 7 to 9 p. m.

### MICHAEL EUSTICE

A requiem high mass in memory of Michael Eustice, who died in Shawnee, Okla., was held this morning at St. Joseph's church, followed by interment in St. Joseph's cemetery. Those who acted as bearers were Hans Walchli, Robert King, Wallace Wright, William Shea, John Logan and Chester Meley.

Attending the rites from away were James and Alice Eustice, of Shawnee; Mrs. Francis Craddock; Mrs. Fred Bierley, Erie; Mrs. Clara W. Burch, Washington, D. C.

### WILLIAM BOYD HECK

William Boyd Heck, son of the late William H. and Sarah Boyd Heck, died at his home in Owensboro, Ky., on October 24. He is survived by his wife, Elizabeth, two daughters and one son, Miss Betty Heck, Mrs. J. W. Cummings and William B. Heck, Jr., all of Owensboro.

Committal services will be held at the grave in Oakland cemetery at ten o'clock Friday morning, in charge of Dr. Harold C. Warren, minister of First Presbyterian church.

### LUDWIG SCHWANKE

Ludwig Schwanke, born January 2, 1867, died at the family home, 105 Park street, at 5:50 p. m. Wednesday. He had been a resident of this community for the past 45 years and had been affiliated with Salem Evangelical church for the entire period.

He leaves his wife, Anna, and the following children: Mrs. Melvin Olson, Carl Schwanke and Mrs. Allan Honhart, Warren; Max, of Starbrick; Emil, Wellington, O.; Edward, Painesville, O.; Walter, Egg Harbor City, N. J.; Otto, Youngsville; Mrs. Donald DeBaal, Rochester, N. Y., and Miss Helen, Buffalo, N. Y.

Friends will be received at the family home and a prayer service will be held there at 8 o'clock Saturday afternoon. At 2:30 p. m. the same day, his pastor, Rev. Stephen R. Schieb, will conduct services in his memory at Salem Evangelical church. Interment will be made in Oakland cemetery.

### Times Topics

#### OFFICE IS MOVED

The Warren office of the Erie Dispatch-Herald has been moved from its former location in the Warren Land Company building to a room in the Exchange Hotel block. The new location has been painted and put in most attractive shape.

#### RESTRICTIONS COME OFF

Next Monday, if he so desires, your favorite grocery man, meat man or beer man can have a batch of yeast cakes, legs of lamb

will be held from there at two o'clock Saturday afternoon. At 2:30 p. m. the same day, his pastor, Rev. Stephen R. Schieb, will conduct services in his memory at Salem Evangelical church. Interment will be made in Oakland cemetery.

### ATTENTION GROWERS!

The Department of Agriculture is standing behind its promise to support the price of white potatoes. You can be sure of getting at least the announced support price for your 1945 crop by putting your potatoes under loan. But remember—the loan program is the only way the Government is supporting prices for the "late" crop. So get in touch with your county Triple-A office if you want to protect the price on your crop. Loans will be available to farmers until November 29.

#### MIGHTY VICTORY LOAN DRIVE

The mighty Victory Loan Drive, eighth in the series of great War Loan drives, opens Monday, October 29th when rallies and meetings will be held throughout the entire country. This vitally important Victory Loan—THE LOAN TO WIN THE PEACE—has a national quota of eleven billion dollars, of which Warren county's share is \$2,035,000.

Volunteer workers of Warren county will hold a big Victory Drive Rally Monday evening, October 29th, at the Columbia Theatre. The doors open at 7:15 p. m. and the Warren High School band will present an inspiring thirty minute program of patriotic music, preceding the opening of the Rally at 7:45 p. m.

An unusually fine program, arranged by Harry R. Lewis, and emceed by William E. Rice, will include a sensational film, "Justice Be Done," showing exclusive pictures of Nazi leaders and collaborationists. A mighty array of favorite film and radio stars including Bing Crosby, Bob Hope, Betty Hutton, Alan Ladd, Barbara Stanwyck, Humphrey Bogart and many others will appear in "Hollywood Victory Caravan."

This rally is for all workers in this 8th Victory Loan Drive, both borough and county. If you are a worker, there's a complimentary ticket for you. If you have not received yours, get it tonight or tomorrow from your leader or at Room 201, Warren National Bank Building.

#### VOTE "YES" ON THIS PROPOSAL

Oil City Derrick

Sheriff Jim Marshall of Venango county sends us some material pertaining to the proposed constitutional amendment No. 2 which will appear on the ballot at the coming election. This is the amendment which would permit sheriffs to succeed themselves. Why the Pennsylvania constitution forbids this we do not know, but it does; and it requires an amendment to correct it.

While Sheriff Marshall is for this amendment, it would not benefit him. Jim has made a good sheriff. His term will expire next January. But he sees the worth of it. The duties of sheriff involve many more technical and legal complications than most people realize. It is quite logical that a really good citizen in the office of sheriff can be of greater value to his community in a second term than in his first. This is especially true in the smaller counties where the sheriff must conduct his office with very little assistance. Voters can always take care of a bad sheriff by refusing to re-elect him.

It seems only fair that any official who has faithfully served the people of his county for four years in the difficult office of sheriff should have the right to ask the people for another four years. If he has not been a faithful public official, then the electorate can turn him down.

This is what the people of Pennsylvania will decide by their vote on Amendment No. 2-A. By voting "YES" they will permit the sheriff to succeed himself in office.

#### CONTROLLING THE ATOM-SMASHERS

We suspect that the anonymous scheme for controlling atomic energy, which President Truman and several members of Congress have received, may not be as crazy as it sounds.

The scheme, you may recall, is briefly this: Create a group of super-race geniuses, the test-tube offspring of carefully selected United Nations geniuses, educate them in the world's best schools as world citizens, then let them run the atomic show for the good of mankind.

The plan doesn't say who will control atomic power until the super-children grow into supermen and women. There is also another bad angle—the plan doesn't get away from human fallibility.

Obviously what the world needs is not so much a control of atomic power as control of the people who know the secret. And it seems to us that if scientists are smart enough to harness the energy of the universe they should be smart enough to create a race of mechanical men to develop, produce, parcel out and guard that energy.

These mechanical men would have to be built with better brains than the human ones of their creators. Such things as greed, envy, malice, and the notion that they were better than anyone would have to be carefully excluded from their emotional equipment. The mechanical men would be an ideal group of wise, detached scientists who never heard of war and probably would think it excessively stupid if they did.

Our plan will take some doing. And we think that science ought to give it a try. For a lot of people like us aren't really going to feel easy about the survival of the world until one of man's most brilliant discoveries is taken away from man and put into the hands of the robots.

## YEARS AGO IN WARREN

Interesting Items Taken From  
The Warren Evening Times

In 1925

The metal furniture industry is destined to become one of Warren's leading industries. The Jamestown Metal Desk Company will take over the former Gisholt plant and begin operations.

Warren service clubs and the county medical society will bring here from Pittsburgh one of the leading orthopedic surgeons, Dr. Silver, to hold a clinic for crippled children.

Much interest has been aroused by local housewives concerning the cooking demonstration to be held at the Woman's Club by Mrs. Lilla Cross, well-known cooking expert. The Times-Mirror is sponsoring the event.

The awning on the front of the Chautauqua Gas Company office, Pennsylvania avenue west, was torn off completely by a terrific windstorm.

In 1935

Dr. Ira A. Darling, superintendent of the Warren State Hospital, will speak at the Pennsylvania Public Charities Association meeting to be held in Bradford.

Dr. James M. Gibb, chiropractist, will be absent from his office on all Monday and Tuesday mornings during the school year. He is taking graduate work through Temple University for his D. S. C. degree.

Roy H. Hammond, district manager, R. R. Alberts, of the executive staff, and J. H. Wade, local manager, all of the Atlantic Refining Company, were guests at the Kiwanis Club weekly luncheon.

County Treasurer Gerald Wright has announced that all 1932 taxes are due and, if not paid, property tax sales will be held on all unpaid lands.

#### WILL MAKE STARTERS

Robert E. Dunham, President of Sunray Electric, Inc., has announced that their company is making arrangements to expand its facilities to produce glow starters for fluorescent tubes. Complete equipment is being purchased and installed for the production of between 5,000 and 10,000 complete starter units per day. The starter will be made completely in Warren including the negative glow switch which is the heart of the device.

From where I sit ... by Joe Marsh

"There ought to be  
a law!"

Every now and then, when I run out of news for the *Clarion*, I print items about what happened Fifty Years Ago in Our Town. May be a lazy man's way of filling space, but it often makes mighty interesting reading.

Seems like human nature is always repeating itself. Same old prejudices, bickerings, and mistakes. Here's an 1895 politician trying to restrict free speech ... a demagogue crying out against women's rights ... a local com-

mittee raising the bugaboo of Prohibition.

Same old cry down through the years: "There ought to be a law!" Same old desire of one group to force its opinions on another.

From where I sit, it's not more laws we need—nor more restrictions of our right to think, and choose, and live as we see fit. But more tolerance and understanding—more "live-and-let-live" among human kind.

#### COPS SOLVED PROBLEM

One of the coppers on his beat last night in the wee sma' hours heard a tap, tap, tapping near the rear of the Grotzinger Restaurant. Listening carefully he was unable to locate the source and other officers were called in to have a listening. The combined efforts of the three finally deduced that a rope swaying on a flagpole in the

wind was causing the noise and the coppers folded up their stethoscopes and ear trumpets and silently resumed their beats.

The first regularly scheduled radio broadcast was a report of returns of the Harding-Cox presidential election presented in 1920.

## Scouts Enjoy Ceremony and Parents Night

The annual Troop 9 presentation of charter and Parents' Night, held in First Methodist church, opened with a flag ceremony conducted by Alan Schuler, senior patrol leader, and a welcome extended by C. A. Babcock.

An investment ceremony was next on the program, when Paul Gordon, Karl Smith, Johan Stohl and John Wood were invested by Scouts and Scout leaders. Burt Garvin, commissioner, presented the charter to Rev. Wayne Furman, pastor of the church.

Contests in first aid, signalling, pack making and fire building were held among the various patrols with the following as winners: First aid and fire building, the Hawks; signalling and pack making, the Woodpeckers. A compass was presented to the Hawks in recognition of their work in previous patrol contests.

A report on activities of the troop was given by Alan Schuler; financial report, Julian Gordon; program report, C. C. Winans; advancement report, H. L. Blair; senior scouting, Don Taft. Registration cards were given to Scouts by Scoutmaster Ray Lewis, after which troop leaders gathered about the troop flag and took their oath to discharge their duties to the best of their abilities and to carry on the traditions of the troop.

After this, a game of "Scout Bingo" was played, with Clyde Smith as the winner, and the closing was conducted by Rev. Furman.

Refreshments were served by Assistant Scoutmasters M. P. Johnson and Royce Black, assisted by some of the older Scouts. The room had been beautifully decorated with autumn leaves the previous evening, this work being done by Quartermaster Dave Winans and a group of Scouts.

## MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about a pint a day. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging headache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder. Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's gives happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

### Wants Coordinated Action

Be sure to hear Mrs. Denman on Friday. She's a real dynamo... She has that fascinating and forceful personality which every woman would love to possess... She's a man's speaker, too. Her wit, enthusiasm and clear intelligence carry everyone in her audience along with her... With me, Mrs. Denman's talk is a MUST... These comments, only a few of many heard in the past few days, were picked up in conversations which followed the meeting of the Council of Community Agencies on Tuesday night, and are relative to Mary Thompson Denman, of Pittsburgh, morning speaker at the Pennsylvania welfare conference at 11 a. m. Friday at the YWCA activities building, and field representative of Pennsylvania Public Charities.

Mrs. D. E. Conaway, Conewango avenue, knew Mrs. Denman when she was Mary Thompson, Tri Delt at the University of Pittsburgh. Later she was graduated from Pitt, and received her degree in law from the same institution. She is not only a lawyer in her own right, but is married to a lawyer, Robert Denman. Many in Warren will recall her visit here in the spring of 1944, when, as national membership chairman of the Business and Professional Women's Clubs, she was guest speaker for the meeting of clubs of District One.

As a one-time member of the Pennsylvania State Legislature, Mrs. Denman knows the ins and outs of its workings. She is an authority on all phases of law which touch upon welfare work. That background, with her charming personality and talent as a convincing talker, has made her invaluable in her present position, the task of lobbying for a more unified and coordinated welfare program for Pennsylvania. She's a MUST for anyone to hear on "What Are Pennsylvania Legislators Doing For Our Children?"

#### Hallowe'en Motif Is Selection For Community Event

Young people have their plans in good shape for their community Hallowe'en party on Saturday evening. Co-chairmen George Spinnery and Charles Cochener have asked that all committee heads turn in the names of their members to the party supervisor, Mrs. Olive Huff, by this evening. This week's party starts with the freshman class age.

Teresa Fino, chairman of the floor show committee, has announced that Johnny Erickson will be master of ceremonies for the performance at ten o'clock Saturday night. Dale Soderburg's Orchestra is the band of the evening, for both dancing in the gym and the floor show. The numbers booked for Saturday evening will be announced tomorrow.

The doors for the party will open at eight o'clock. Because of the change in store hours, the young people are staging their parties a half hour earlier. The goal is to have everything taken care of by midnight, which will be possible with a cooperative group of volunteers on cleanup.

The game rooms will be open from eight o'clock until the time of the floor show. The refreshments committee will work in three shifts during the evening.

Betty Lou Hook and Dick Kaufman have asked that all members of their decorating committee be on hand at two o'clock Saturday afternoon. Don Scallise and Ronnie Massa are expecting members of their setup committee in the Beatty gym at the same hour.

Teresa Fino has arranged for a final floor show rehearsal at four o'clock Saturday afternoon. Bill Carter has been working on the public address system and reports that it is in good shape for the show.

#### Eight Members Of Women of Moose Birthday Guests

Eight charter members of Warren Chapter, 693, Women of the Moose, will be honored guests when the chapter holds a tureen dinner November 7 in observance of the 23rd anniversary of the founding of the unit. Those to receive the special invitations are Mary Brown, Emily Dietsch, Helena Larson, Alice Laufenburger, Grace Miller, Grace Moore, Genevieve McMahon and Ella Small. The chapter was organized November 3, 1922.

Plans for this observance were perfected at last night's meeting of the chapter, conducted by Senior Regent Mary Kirberger.

It was announced at this session that Bertha Sweeting and Hilda Anderson will receive the degree of the College of Regents at Mooseheart, Ill., on November 7, and Gussie Anderson, who will accompany them, will receive the Academy of Friendship degree, all three having high honor bestowed upon them through these degrees.

Mary Teonchuk was given graduate regent's pin by the chapter, Hilda Anderson making the presentation. Mrs. Teonchuk and Virginia Hanks received the awards for the evening.

The meeting then adjourned for members to go to the special men's session and hear a wonderful address on Mooseheart by Rev. Donald Payne, chaplain at the home.

#### Harold Wineriter Weds Indiana Girl

In a simple, yet beautiful ceremony in the Christian church in Brownstown, Ind., Friday evening at nine o'clock, Miss Mildred Stevens, daughter of Mrs. Wesley Stevens, became the bride of Harold Wineriter, son of Mr. and Mrs. Clare Wineriter, of Warren. The Rev. John U. Phelps, pastor of the church, read the single ring ceremony in the presence of the immediate family and a few friends. Miss Joy Delight Stewart played the traditional wedding music. The bride was lovely in a two piece ensemble of Copenhagen sheer wool. Her flowers were pink roses. Her only attendant, Miss Esther Hockkiss wore a two piece wool suit of brown with a corsage of yellow roses.

Riley Stevens, uncle of the bride, was best man.

Immediately following the ceremony, a reception was held at the home of the bride. The table was beautifully decorated and centered with a three-tiered wedding cake.

Mrs. Wineriter was graduated from Brownstown High School with the class of 1941, and attended Central Business School in Indianapolis, where she has since been employed.

Mr. Wineriter was recently discharged from the United States Army after five years service, three of which were spent in the Pacific theatre.

The young couple will be at home to their friends at 2321 North Talbot, Apt. 2, Indianapolis, Ind.

#### GLEANERS CLASS HAS BUSY SESSION

The Gleaners Class of Grace Methodist church met at 7:45 p. m. Tuesday in the Winger room, with a large attendance for the meeting called to order by the president, Mrs. James Hathaway. Devotionals were led by Miss Phoebe Finley, who also offered prayer. Officers gave their reports and "Secret Sisters" exchanged gifts. Mrs. Hathaway read a paper on "Stewardship" and turned the meeting over to the hostess, Mrs. Matilda Hornstrom.

The following program numbers were then enjoyed: Two vocal solos, Mrs. Ruth Lindquist; two piano solos, Miss Lois Hulings; two readings, Mrs. G. S. W. Phillips; two clarinet and cornet duets, Lucile and Gilmore Samuelson; vocal duet, Mrs. Blanche Mitchell and Mrs. Ella Thompson. After the program, all were invited to the dining room where refreshments were served by Mrs. George Valentine and her committee.

#### TULLER-SORENSEN RITES ANNOUNCED

Mr. and Mrs. Henry Sorenson, of Cobham Park, announce the marriage of their daughter, Emily R. to Ivan L. Tuller, son of Mr. and Mrs. O. C. Tuller, of North Warren.

The ceremony was performed Monday evening at the Tuller home, Rev. R. H. Eggleston, pastor of First United Brethren church, officiating. The bride was attended by Jean Park, of Clarendon, and Charles Johnson, of the same place, was best man.

A reception followed for the immediate families and close friends.

Released Jap  
Prisoner Is  
Known In Town

One of the happiest returning service men in this whole section is Marine Corporal Ray Emmett Rapp, son of Mrs. Nina F. Rapp, of Jamestown, and nephew of Mrs. Catherine Dinsmore, 113 Lexington avenue, this city.  
Reason for his particular brand of happiness is that he is again at home—a place that he dreamed of and thought of constantly to make three and one-half years in Japanese prison camps a little more bearable.  
Young Rapp was released from a prison camp in northern Japan on September 7, was flown to Oakland, Calif., on the 12th and is now home on 90-day furlough.  
Sent to China in October, 1940, he spent a year there and arrived in the Philippines in December, 1941, just as war was declared. He was taken prisoner with hundreds of others on Corregidor in May, 1942, and remained in the Philippines for six months before being transferred to Osaka. From there he was sent to a camp in Fusuki in northern Japan, where he remained until September 7.

HAS PROMOTION

Mrs. Grace Schreffler, Warren RD 2, has had a letter from her son David Schreffler, in the Aleutians telling that he has been advanced to machinist's mate third class. He also writes: "I was aboard the flagship of Vice Admiral Fletcher, called the USS Panamint (AGC 13), where the Japanese signed the terms of occupation of Ominato Guard Area District. I have a copy of the terms, and six pictures of the Japanese officers and our admirals signing them. Boy, she was a swell ship and I am proud to have it. And Stewart Greener have the only copy in the 124th Seabees."

NORMAN D. MATTHEWS  
RELEASED FROM SERVICE

2nd Lt. Norman D. Matthews, son of Mr. and Mrs. Norman B. Matthews, 315 Water street, was released from service with the Army Air Forces October 18 at Drew Field separation center, Tampa, Fla. Prior to entering service in July, 1943, he was a student. He received his commission in November, 1944, at Carlisle Army Air Field in New Mexico.

WORD FROM SONS

Mr. and Mrs. Clarence C. Akeley, of Russell, have received word from their son, Cpl. James G. Akeley, that he is well and stationed at Eschwege, Germany, where he has charge of the recreation center, basket ball court, gym, etc. He has been in the army for two years and overseas for 16 months. Before he entered the army he was employed by Struthers-Wells and played base ball with Struthers and National Forge. The Akeleyes have also had a letter from another son, Pfc. Clarence, Jr., stating that he is well, is stationed in Hawaii and is driving a jeep. He reports they have a basketball team at his station, that he is playing on the first team and

has been very successful so far. It will be recalled that he was a member of last winter's Struthers-Wells team.

JAMES J. NEWTON  
WILL BE DISCHARGED

Lt. James J. Newton is spending a furlough with his parents, Mr. and Mrs. James Newton, North Warren, before receiving his honorable discharge November 4 following six and one-half years in the army. His brother, William L. Newton, who was a staff sergeant, was recently discharged from military service after six years and two months. He is visiting here for a few days from Knox, where he is employed by the Knox Glass Company, and the brothers are

holding a happy reunion, their first in six and one-half years.

NOW NEAR TOKYO

Joseph DeVaul, 4 Euclid avenue, has had an interesting letter from his brother, T/5 Elwood DeVaul, who was employed by the Warren Baking Company before he entered the army. Referring to his last letter written from the Philippines, he says: "I really saw most of the damage done in this Pacific theatre. I visited Manila and took a few pictures, and when we left the Philippines we flew by C-46 to Okinawa, and stayed there about a week and a half. That place is the worst I ever saw, so darned hot you can't stand it and no trees or buildings for shade. We gladly left Okinawa by C-54 and that is the sweetest transport plane I ever rode in."  
"We landed here in Honshu at Astagi Air Field and went to Yokohama by bus, and had a pretty good time there. I spent a day in Tokyo and visited the Emperor's palace and then went to the diet building. But now things are changed. I am about 200 miles north of Tokyo and in a hospital again. The weather was such a change from all that hot climate that most of us have colds. I am all right and expect to be out day after tomorrow. Up here I am in a place called Yamagata and we have it pretty easy. The Japs do all the work". T/5 DeVaul would like to hear from friends at home, who may get his new address from his brother.

NEWS OF SONS

Mr. and Mrs. James Miller, of North Warren, have had word from their son, James C., who is stationed on the Hospital Ship St. Mihel at Pearl Harbor, that he has been promoted to corporal. At present his ship is undergoing repairs and she has no knowledge of future plans. Another son, T/Sgt. Charles H., writes that he has been transferred with his infantry unit from Mindanao in the Philippines to a point near Hiroshima on Honshu.

HONORABLY DISCHARGED

GERALD E. FITZGERALD

Pfc. Gerald E. Fitzgerald, son of Mr. and Mrs. J. V. Fitzgerald, Stoneham, was honorably discharged from military service October 17 at Indiantown Gap. Former student at Stoneham school and employee of the Warren Gear Manufacturing Company, he was inducted November 30, 1942, at New Cumberland. Later he was transferred to Camp Rucker, Ala., and after four months training went overseas for 28

months with the Third General Hospital. He was in France, Italy and Northern Africa.  
His brother, Glenn V., seaman second class, is anchored in Sasebo, Kyushu, Japan, and reports that he has seen some of the torn up towns and is now only one-half mile from the point where the atomic bomb struck. He has two invasions to his credit and his ship has a score of 150 Jap mines. He writes that he doesn't expect to be home for some time.

FRED NEAL TRAWICK  
RELEASED FROM NAVY

Fred Neal Trawick, seaman first class, of 1106 Pennsylvania avenue, east, was honorably discharged from naval service on Sunday at Bainbridge, Md., separation center. In the navy for six months, he has been stationed in New York.

IN REST AREA

Word comes from the U. S. Riviera recreational area at Nice, France, that Pfc. Harry W. Zinger, truck driver with the 46th Medical unit of the 4th Armored Division, was among those who recently spent a seven-day rest furlough at that center. Pfc. Zinger has been overseas for eight months and wears the European theatre ribbon for campaigns in France, Czechoslovakia and Germany. Prior to the war, he was a truck driver at Warren State Hospital.

WATCHED OPERATIONS

A special dispatch from Wakayama, on Honshu, Japan, indicates that a number of local seamen were among those of the task force who were topside watching landing craft put occupation troops ashore there on September 25. ## New Fords To Be Displayed Here Friday

Friday is V-8 Day.  
An automotive public that has not seen a new car since the war will get the first opportunity to view the 1946 Fords on that day. Every Ford Motor Company dealer will have at least one of the new, improved models on display. J. R. Davis, director of sales and advertising, said that the company long has planned to be first in public display of automobiles.  
He said it had been hoped that prices of the new cars could be announced at the time of the public showing, but now it doesn't appear as though a price would be received from OPA by that time. Consequently, dealer deliveries to the public apparently will be delayed.  
Ford production is rolling now and if we can go ahead unhampered, we should have hundreds of Fords in every sales area within a few weeks, Mr. Davis said. "We will continue to seek a price arrangement so persons who want to buy Fords may do so as soon as possible."

## SOCIETY

### Salem Evangelical Choir Is Praised

Twelve members of the Salem Evangelical choir were tendered an "appreciation dinner" in the church last evening, an expression of gratitude for their splendid service to the church and congregation.  
The church dining room was attractively decorated in crystal and silver, with lighted candles, and in the center of the table a big bowl of roses. These were later given to choir members as favors.  
Speakers were Dr. LeRoy B. Campbell, of the Warren Conservatory of Music, and Henry Baldensperger, vice president, who voiced the church's appreciation in the absence of the president, Paul Ristau. Rev. S. R. Schieb, pastor, served as toastmaster and interspersed a few remarks.  
Elvira Rydholm, Carolyn Huber, Ruth Kaebnick presented a comic skit and Mrs. Martha Jones and her sister, Ruth Ackert, pleased with a piano duet.

## Negro League Prexy Happy Over Signing

Chicago, Oct. 25.—(A)—Dr. J. E. Martin, president of the Negro American Baseball League, said today he was "very happy" to see Jackie Robinson signed for the Montreal Royals of the International League, but added "the Kansas City Monarchs should have been consulted."

In a statement today, Dr. Martin said: "I am very happy to see it. It has been my ambition to see the Negro get into the big leagues, but I think they should have discussed the matter with us before signing Robinson like he was some sandlotter. They should have consulted T. Y. Baird, co-owner of the Kansas City Monarchs."

"I think Mr. Baird is just as anxious to see Robinson get into the big leagues as I am, but I'm sure he feels as I do, that he should have been consulted in the matter."

Robinson was signed by the Brooklyn Dodgers for their Montreal club Tuesday, the first Negro player ever to be admitted into organized baseball.

## Four '44 All-Americans Bid For '45 Posts

By HAROLD CLAASSEN  
New York, Oct. 25.—(A)—Four of the football players who won first places on the Associated Press All-American team a year ago are making determined bids for a return listing in December, a survey showed today.

Hubert Bechtel, rangy Texas University end; Bob Fennore, Oklahoma A. & M. back; and Oklahoma's pay-dirt twins, Glenn Davis and Felix (Doc) Blanchard, all are back for another try in garnering the sport's highest honor.

Of the seven other players honored at the close of the 1944 season, four are in the service, two are coaching and one, guard Bill Hackett of Ohio State, has been sidelined for the year by injuries suffered in a traffic accident.

Midshipman Don Whitmire of the Navy, and Caleb (Tex) Warrington of Auburn, are the young coaches who are representing the Midwestern and the Plainsmen in the present campaign.

End Phil Tinsley of Georgia Tech, tackle John Ferraro of Southern California, guard Halton Nichols of Rice and quarterback Leslie Horvath of Ohio State are the athletes who exchanged gridiron uniforms for service regalia.

Davis and Blanchard, teammates on the country's No. 1 team, have helped power Army to 13 straight triumphs, which four have been registered this season. The two are tied for second in the eastern point-making with seven touchdowns each.

## Penn Coaches Sob Over Navy Game On Sat.

By TED MEIER  
Philadelphia, Oct. 25.—(A)—With the Navy game only two days away, the University of Pennsylvania grid coaches came up with a different sob story today.

"No one will care what happens to us next week after Navy gets through with us," moaned Rae Crowther, Paul Riblett and Horace Hendrickson, the three assistant coaches who are in charge of workouts during George Munger's absence. Munger, head coach, is ill and may miss the game.

"No one will be after us for tickets, no newspaper boys will be around for stories," the sad trio kidded. "We'll get kicked and drop from seventh place nationally to around 50th."

This 30th meeting between the Midshipmen and the Quakers, both unbeaten and untied, is a 73,000 sellout and the demand for duets is getting so terrific that even speculators have been unable to buy any from the lucky ticket-holders. The game is regarded by many as the No. 1 game in the country bringing together eleven that ranked No. 3 and No. 7 in this week's Associated Press poll.

Although the Midwesterns have beaten the Red and Blue four straight years, Crowther, Riblett and Hendrickson probably had their fingers crossed. It has gotten around that George Savitsky, star Penn tackle, declared before the season started that "we'll beat Navy or Army, but I don't know which one."

First new model airplane to come off France's assembly lines is a transport, the Bloch 161, seating 60, and able to carry 10 more in its berths. It will carry 45 fully equipped paratroopers.

## BEHIND THE LINES

Communities, towns and cities throughout our nation are thinking seriously of war memorials, some sort of way to express their gratitude to the millions of American boys who have fought and died in World War II so that we at home can live peacefully.

And, too, various capable men and agencies have been making a complete study of the proper type of memorials which should be constructed. These factions travel the country over making surveys of just what there is a need for and determining just what the American servicemen want for a memorial.

Probably the most popular subject in Warren today, and for the past week or so, has been a war memorial, principally a modern recreational area to include football and baseball facilities, a swimming pool, tennis courts and other forms of recreation. This town has been severely criticized in sporting circles frequently for its failure to put forth a stadium with complete facilities for night games, dressing rooms, showers, and everything that goes to make the setup complete.

With the land donated made by Albert Ristau came gushing enthusiasm from most every youth in town. In other words, the people are for it. They want to see athletics a post-war boom here. They want their children and themselves to have every opportunity of seeing and participating in the best of sports.

One must consider four points which are of extreme value when selecting a war memorial. First, the value of the memorial is the most important factor. Will the memorial be usable? Second, a war memorial must build community pride. The proposed stadium here would certainly make our townspeople stick to their chests. Third, the cost of a war memorial must be low enough so that posterity will not have a huge upkeep to shoulder. Fourth, the location of a war memorial is important. The Valvoline property on Lexington avenue, given free of charge to the townspeople, is an excellent place for a recreational center.

We believe that this attempt to finance a war memorial stadium will raise the money and build us a stadium, the thing that has been fought for, lost, over and over again here. In years past the main stumbling block was the Russell Field oil rights, which prevented any large scale "reconversion" there; the question of money has been brought up time and time again, but we believe that the citizens of Warren will come through with "flying colors," and always there was a matter of insufficient interest.

If you have any doubt whatsoever in your mind that the PTA is not already on its way toward a stadium, then we'll elaborate a bit more. First of all, the PTA Council gladly accepted Mr. Ristau's proposition, which was made to several of Warren's younger citizens, and it wasted no time. Then immediately it was given the "go" signal by the original committee, whose duty it was to investigate the possibilities of raising money and locating a possible site. The next step will be the appointment of committee members, which will probably include the outstanding interested men and women of the town.

The latest jump was announced today. Charles Taylor, a field representative of the National Recreation Association, will arrive here Tuesday morning with estimates of costs of both building and maintenance. This representative, who has traveled extensively and made the plans for memorials in many towns throughout this section, has stated that his most important project is the Warren memorial. For two years Mr. Taylor has been eyeing the local setup. He has visited here and given much valuable information.

The National Recreation Association is acclaimed as the only recognized recreational body in the United States. Its purpose, during the war, has been to study memorial projects. Another of its duties was to survey servicemen and obtain their opinions of appropriate war memorials. One of the leaders in the survey was athletic stadiums. We need the stadium here. Get behind it. Talk about it. It will not be for a select few—it will be for everyone.

## Control Board Will Decide Act's Legality

Harrisburg, Oct. 25.—(A)—The Board of Control of the Pennsylvania Interscholastic Athletic Association at its fall meeting here Monday Oct. 29, is scheduled to give an interpretation of its constitution on the request of District No. 2's committee relative to the powers of suspension of a member school.

The district committee asked for the interpretation following a suspension of Forty Fort High School for the balance of the football season following an attack on grid officials by spectators and students at the Forty Fort-Pittston game on Oct. 12.

The grid officials filed a protest with the district committee following the attack and at a meeting of the committee Forty Fort was suspended by a vote of five of the six members. The sixth member being a representative of Forty Fort and counterarily refrained from voting.

The Forty Fort school board raised the question of the district committee's authority to invoke a suspension, and the committee asked the board of control for a ruling.

### Good Time Is Being Made Despite Rains

Good progress is being made on highway jobs over the country had been on the program for summer despite the bad weather that has been encountered during the weeks passed. The rains have converted some of the roads into morasses of mud and made work difficult. However in spite of the difficulties with Superintendent Lowe his men have done splendid work. The road through old nedale park which is becoming widely used has been resurfaced and is now in excellent shape. Matthews Run three and half miles of roadway are being graded and put in shape for gravel placement. Over Morrison at Tidoute there is a five-mile stretch of road being built. Half this has been graded and put in for gravel placement and in good weather the job may all be finished this fall. The department is also preparing for rough weather ahead and ch trucking of cinders is being done. They are placed in strategic places ready for use on slippery roads. A heavy grader driven by tor has also arrived at the local highway building west of the city. It is expected to move more snow in one of the big truck plows and will be ready for use on deep snowfalls in the battle against this coming winter.

### Moose Held Fine Meeting Wednesday

Warren Lodge Loyal Order of Moose, one of the outstanding lodges in Pennsylvania held a particular fine meeting last evening in the Moose building on Hickory street. The occasion was the first visit to Warren of the Rev. Donzel Payne, Protestant Chaplain of the Child City at Mooseheart, Ind.

The Rev. Payne arrived in Warren Tuesday night and yesterday was escorted about the city and shown many of the features of the community both industrial and scenic. He was much impressed by the beauties of the city.

Dinner was served to the Rev. Payne and the officers of the Warren Lodge at 6:30 at the Blue and White and following the dinner a special meeting of the lodge was held. It was a brief session and then the hall was thrown open and wives and sweethearts of the lodge members were admitted with Women of the Moose members.

The Rev. Payne gave a splendid address on the work being done at Mooseheart for children of Moose members and he outlined extensively the program of the institution and the potentialities of the Child City. Its effect on the growing child physically and morally was touched upon. A description of the buildings etc., was given and those who heard the talk were greatly impressed.

Following the meeting a lunch was enjoyed and a social hour passed during which the Rev. Payne met many of the people of the Warren lodge.

### Libby Lane To Head Bill at Outing Club

Warren folks who daily scan Charley Danver's column in the Post-Gazette the other day noted a charming little gal embellishing the column. Her face bore a real smile and she just oozed personality in his photo. That was Libby Lane, nee character dancer of the Pittsburgh district. Libby is coming to Warren tomorrow and will display her charms and her excellent dancing for the patrons of the Outing Club over the weekend. Frank Williams has scored in getting this little lady for the Club followers.

Dale Summers a clever emcee will guide the destinies of the show to be offered and he is a presentable young man with a charming singing voice that will win him many friends. "Chuck" Addison will round out the show. "Chuck" is a tapper of no mean ability and his work has won plaudits at some of the best clubs in the Smoky City.

There is just a possibility that Mr. Williams may bring Joan Barry, the protegee of Charlie Chaplain to the Outing Club at some future date. Miss Barry is under contract to Don Carlo, who handles the Pittsburgh bookings for the Warren club. She is now appearing for the second week at the Riviera Club, near Pittsburgh and is held over for the second week. On a recent visit to Pittsburgh Mr. Williams was photographed with Don Carlo and Miss Barry.

## ORDER SEVERES JAPAN FROM ALL NATIONS

**MacArthur Directs Tokyo To Cut Relations and Turn Over Its Diplomatic Properties**

**PURPOSE UNEXPLAINED**

Tokyo, Oct. 25.—(P)—General MacArthur today ordered Japan to sever relations with all foreign governments and to turn over its diplomatic properties and papers throughout the world to the Allied powers.

The order, issued "by direction of the Allied powers," told the Japanese government to recall "immediately" its diplomatic and consular representatives home from neutral countries.

Purpose of the order, other than the apparent one of revealing to the Allies all Japan's diplomatic and consular secrets, was not disclosed. It came to MacArthur from the joint chiefs of staff at Washington.

(Official explanation for the drastic order was not immediately available from Washington sources.)

In its sweeping implications the order was comparable to one issued by MacArthur a few weeks ago, in which he directed that all records of Japan's banking and industrial concerns which had furthered that nation's imperialistic ambitions be delivered to occupation authorities.

The directive followed close upon criticism from Moscow to the effect that with the demobilization of Japan's armed forces, the occupation policies in the conquered nation should be directed by a four-powered control commission instead of by MacArthur.

The order called for "prompt compliance" by the Japanese government of the following requirements:

1. In the United Kingdom, Russia, China, the United States, France, the Netherlands and their colonies, Japan must turn over "intact and without delay" to the governments of those countries all diplomatic and consular archives and property.

2. In other countries, where Sweden or Switzerland are acting as protecting powers over Japanese interests, the defeated nation's property and archives must be delivered to representatives of "the four Allied powers" who have been instructed to receive them. The protecting powers, however, shall continue to watch over interests of Japanese nationals.

3. In all neutral countries, the Japanese missions must surrender papers and property to designated representatives of the four Allied powers. Sweden or Switzerland may be requested by Japan to protect Japanese interests in these countries.

4. The Japanese government must "immediately" recall its

## Wage-Price Policy May Be Passed On

Washington, Oct. 25.—(P)—The door was open today for President Truman to pass the vexing problem of a new wage-price policy to the forthcoming labor-management peace conference.

A committee planning the agenda for the meeting suggested that wages would be proper topics for discussion by the delegates.

Their Nov. 6 meeting was called primarily to find a means of settling labor disputes after the war labor board goes out of existence.

Mr. Truman was expected to announce the agenda today and to make an accompanying statement.

It was learned unofficially that the committee suggested a seven-point discussion program touching only on labor relations, bargaining and avoidance of strikes.

It added however there was no thought of limiting the talks to these points and that such matters as wages, hours, full employment and labor legislation might well be brought before the industry and labor leaders.

## Recreational Expert Coming To Survey Memorial Situation

A further procedure for the erection of a memorial to the Warren county men who served and died in World War II was announced today by Mrs. Walter Mather, president of the Warren Community Council PTA.

Mrs. Mather stated that the council has requested Charles W. Taylor, field representative of the National Recreation Association, to come here for the purpose of assisting in the council's drive for a memorial stadium on the Valvoline property on Lexington avenue.

She added that Taylor would arrive here next Tuesday and immediately begin the task of simplifying the plans and giving information as to costs. Taylor, whose offices are located in Ann Arbor, Michigan, is expected to bring with him estimates for the various types of war memorials in towns the size of Warren.

## Multi-Billion Tax Cutting Bill Passes the Senate by Voice Vote and Goes to Committee

**By FRANCIS J. KELLY**

Washington, Oct. 25.—(P)—The senate's \$5,785,000,000 tax reduction bill, fundamentally different from the \$5,350,000,000 measure passed by the house, headed today for a conference committee which will adjust the variations.

The senate took a seven-hour look at its finance committee's handiwork, added another \$155,000,000 of relief, then passed the bill by a voice vote.

The senate bill proposes to relieve individual income taxpayers by \$2,644,000,000 next year, corporations by \$2,934,000,000, and owners of automobiles and boats by \$140,000,000 through repeal of the use tax.

In addition, it would repeal \$70,000,000 in excess taxes, on such things as stoves, cameras and sporting goods, imposed in 1941 to discourage the use of scarce materials.

The house bill called for cutting taxes of individuals by \$2,627,000,000, corporations \$1,888,000,000, and boat and car owners \$140,000,000, through repeal of the wartime levies on luxury and semi-luxury products and through refund of the tax on floor stocks of liquor and light bulbs.

After the house goes through the formality of rejecting the senate changes, the house and senate conference committee will get together—probably Friday—to work out the final form of the legislation.

House and senate versions vary so widely in so many particulars that the conference committee is expected virtually to rewrite the measure.

Speed is essential. Internal revenue officials would like to know the final form of the bill by Nov. 1 so they can prepare and send out revised withholding tables and tax blanks to offices all over the country.

The tax cut would apply to next year's income; the tax bill on this year's income will be figured on present law.

In effect, though not in method, the two houses were not far apart in the individual income tax cuts. The senate bill is estimated to reduce the burden \$2,644,000,000, the house bill \$2,627,000,000.

Both start in by allowing payers of the 3 per cent normal tax the exemptions granted surtax payers (\$500 apiece for the taxpayer and a combined normal and surtax rate of 19 per cent on taxable income above exemptions, instead of 23 per cent under present law.

The result, in the case of \$2,000-000 first-surplus-bracket taxpayers, is a combined normal and surtax rate of 19 per cent on taxable income above exemptions, instead of 23 per cent under present law.

The 65-year-old admiral, now living quietly on the edge of Tokyo, said he expected to be prosecuted as a war criminal for his share in the war, which he said included:

Breaking the deadlock between admirals urging that the first attack be made on Java and Malaya, and those advocating a first attack on Pearl Harbor.

Issuing orders for departure of the attacking fleet, although the late Admiral Isoroku Yamamoto decided the sailing date, Nov. 26.

Issuing orders on Dec. 4 or 5 "to use our martial might on Dec. 8, 1941 (Tokyo time; Dec. 7, U. S. time)."

## BOY SHOTS FATHER IN TUSSELS FOR GUN

Gettysburg, Oct. 25.—(P)—Coroner C. G. Crist reported that Warwick Scott, 56, was fatally wounded last night while struggling with his 16-year-old son for possession of a shotgun on their farm near York Springs.

Dr. Crist said the son, Burke C. Scott, was being detained for questioning during the investigation. The coroner said no charges have been filed against the son.

Dr. Crist said the shooting occurred when the father tried to take the gun from the son.

The elder Scott died about 15 minutes after the shooting. The charge from the shotgun pierced his right lung.

## ASPHYXIATED IN HOME

Philadelphia, Oct. 25.—(P)—A 62-year-old Pennsylvania Railroad clerk, who planned to retire soon after 40 years service, was asphyxiated today when coal gas from a basement furnace filled the first floor of an apartment house, Police Commissioner Miller reported.

Miller said Benjamin Switzer died after an attempt to rescue his landlady, Mrs. Laura Luke, 57, who was revived at a hospital.

## YOUNG COLLEGE PRESIDENT

Pittsburgh, Oct. 25.—(P)—Dr. Paul Russell Anderson, 38, formerly dean of Lawrence College in Wisconsin, was installed yesterday as the eleventh president of Pennsylvania College for Women—the youngest person ever to hold the office.

## Oil City Woman Is Stabbed By Admirer

Oil City, Oct. 25.—(P)—Mrs. Claressa Jean Young, 27, was in a hospital today with knife wounds which, police reported, were inflicted by a man who entered her apartment near Oil City last night.

Attendants described her condition as fair.

Patrolman Jack McFarland and Norman Wygant said the man was refused admittance and then got into the apartment through a rear entrance. The officers said the man, held for questioning, gave his name as Ernest Fursell, 30.

## DEEPEST TEST OIL WELL IS PLUGGED

Houston, Tex., Oct. 25.—(P)—The world's deepest oil test well has been plugged and abandoned as a failure.

The test, Phillips Petroleum No. 2 Fanny Schoepf, in the Millican area of Grimes county, Tex., was drilled to a total depth of 16,665 feet. It had some slight show of oil and gas, but not enough to warrant commercial production. Yesterday the Phillips Company asked permission of the Oil and Gas Division to plug and abandon the hole.

## Promoted

Brig. Gen. Kenneth C. Royall, above, former Goldsboro, N. C., attorney, is the new Undersecretary of War, succeeding Robert P. Patterson. Royall, 51, had been Patterson's special assistant since last April.

## Gen. Spatz Is Boomed For Governorship

Philadelphia, Oct. 25.—(P)—Pennsylvania Democrats may try to coax Lt. Gen. Carl A. Spatz, who commanded U. S. Army Air Forces in Europe and later in the Pacific, to enter the 1946 gubernatorial race.

The general was a guest of high party leaders last night at a \$100-a-plate dinner.

Following an introduction, someone shouted "the next governor of Pennsylvania." Others joined in the outburst. There were repeated demands for a speech.

Still in service, the general declined to speak.

U. S. Senator Sheridan Downey (D-Calif.), told the 1,125 present: "I sincerely hope that the courage and inspiring leadership shown by General Spatz in war, some day soon may be brought into public and political life."

Gov. Edward Martin, a Republican and a retired major general, cannot succeed himself under the state constitution.

The dinner was held in connection with the Nov. 6 election campaign.

## ELECTRIC ROLL CALL MACHINE IS PLANNED

Harrisburg, Oct. 25.—(P)—Plans are under way to make light work of roll calls in the Pennsylvania house of representatives.

Bids will be opened on a new electronic roll call system whereby members will press buttons to record their "ayes" or "nays" in lights on a large board.

The 1945 legislature appropriated \$75,000 for the system and authorized its installation before the convening of the 1947 general assembly.

It is estimated by Rep. Charles H. Brunner, Jr., that the button system will save at least six minutes in recording votes of the 208 members.

## STATE INVESTIGATING BETHLEHEM TRAGEDY

Harrisburg, Oct. 25.—(P)—A complete investigation of the causes of the Bethlehem Steel Company's gas tragedy at Bethlehem in which eight have died, is being made by the state department of labor and industry, Secretary William H. Chesnut said today.

"Our inspectors are going into it very thoroughly, but I haven't received their report yet," Chesnut said.

He added the inquiry is not being made with the intent of persecuting anybody but "to try to fix things so it won't occur again."

## Produce Workers May End Walkout

Pittsburgh, Oct. 25.—(P)—M. J. O'Connell, assistant director of the U. S. Conciliation Service, declared today that an agreement had been reached between AFL union leaders and representatives of 86 major wholesalers which may end the produce workers' costly 28-day produce yard strike.

O'Connell refused to disclose the settlement terms but said they will be submitted tomorrow to all principals in the dispute. He added that "in all likelihood they will be accepted," and that if he expected the 450 strikers to return to their jobs by Monday.

The strike was called to enforce the union's demands for reopening a contract signed last spring in which the union agreed not to organize hucksters and small storekeepers who haul supplies from the produce yards.

Four retail dealers, members of the Independent Association of Fruit and Produce Merchants, obtained common pleas court writs of replevin and removed their own goods from a warehouse during the strike. Dozens of other small dealers hauled goods from refrigerated cars on railroad sidings at Glassport and McKeesport.

## POINTS CUT ON BUTTER, SHORTENINGS

**Margarine, Lard and Oils Are Included in Slash in Values Effective Next Sunday**

**MEATS TO REMAIN SAME**

Washington, Oct. 25.—(P)—The OPA announced today that ration values on butter, margarine, lard, shortening and oils will be cut four points a pound next Sunday.

For all of these products the new value, effective through Dec. 1, will be eight points a pound.

Current point costs will be maintained during the new period for all prime cuts of beef, veal and lamb and for lean cuts of pork. Lower grades of beef, veal and lamb will continue ration-free.

The only meat changes are reductions of two to four points a pound for six fatty pork cuts and for barbecued pork.

The point reduction for butter, margarine and other fats and oils are possible because of a much improved supply situation, said OPA Administrator Chester Bowles.

There will be about 12 per cent more butter in November than during this month, chiefly because of release of 80,000,000 pounds by the army, Bowles said. Lard supplies are expected to be up about 39 per cent from heavier marketing of hogs.

Over-all meat supplies next month will be about one-half of one per cent less than in October and "therefore x x x do not permit the end of rationing," the OPA chief said.

He said foreign allocations had not been met in full this month, and for this reason it would be necessary to dip deeper into the November meat supply. Meat set-asides were re-instated recently to assume fulfillment of foreign commitments.

The fat cuts of pork assigned lower point values include backs, plates, jowls, and bacon flakes and jowls. Regular bacon remains at six points a pound.

Five more stamps in ration book four will become valid Nov. 1 for buying meats and fats. These include the last four red stamps—W1, X1, Y1 and Z1—and green stamp N8, the top-right coupon on this last sheet of green stamps remaining in book four.

If rationing continues in December, five more green stamps will be validated at the start of that month, OPA said.

## Corporation Is Suing Union For 2 Million

Philadelphia, Oct. 25.—(P)—The SKF Industries, Inc., has invoked a 104-year-old state law to protect strike-bound property from damage.

The action came after the company filed suit in court for \$2,000 damages against Local 2598, United Steel Workers of America (CIO), and seven of its officials, and sought a court injunction to break picket rings.

The strikers' picket line outside the main SKF plant was increased to about 1,000 men and women this morning and again it barred entrance by plant executives and office workers.

Reinforced police persuaded those blocked to turn back and there was no disorder.

In SKF's suit, attorneys Frank B. Murdoch and Harry A. Kalish told Police Superintendent Howard O. Sutton and Sheriff Meahan that under the riot act of May 31, 1841, the company will hold peace officers and the sheriff responsible for damages to property.

A hearing will be held Monday on the company's request for an injunction to halt picketing.

The company contends that the strike is a violation of its contract with the union.

## MAN CHARGED WITH KILLING HIS WIFE

Somerset, Oct. 25.—(P)—District Attorney Paul Fike said a murder charge will be filed today against Frank Burkholder, 43, coal miner of Garrett, whose wife, Kathryn, 38, died yesterday at the home of a neighbor as the result of a beating suffered three days before.

Somerset County Coroner Philip C. Dosh said the woman died from "severely injured brain tissue."

Burkholder has been held in the Meigsdale jail, pending removal to the Somerset county jail here.

## TRAFFIC COP OFFERED TRYOUT IN MOVIES

Lancaster, Oct. 25.—(P)—Donald E. Wireback, red-headed traffic cop, says he has a motion picture offer, but it must be a joke.

The offer for a tryout, said the 36-year-old husky policeman, came from "Boris Kaplan, talent scout for Paramount Pictures, Inc."

"I think Paramount has been misinformed by someone who is trying to play a joke on me," he said.

"I think it is ridiculous," commented his wife.

## Injunction Is Filed Against Rural Electric

Harrisburg, Oct. 25.—(P)—A proposed western Pennsylvania Rural Electric Cooperative seeking incorporation today faced an injunction filed against the move by the Pennsylvania Electric Company, Johnstown.

The Johnstown utility, for the second time in three months, asked Dauphin county court to enjoin Commonwealth Secretary Charles M. Morrison from issuing a certificate of incorporation to Allegheny Electric Cooperative, Inc., Parkie a Landing, Armstrong county.

First raised in July when the Allegheny group originally sought incorporation papers, the issue concerns whether Pennsylvania law permits chartering of a Rural Electric Cooperative to generate power in competition with private utilities.

Pennsylvania Electric contended the law does not when it filed its injunction proceedings.

Allegheny Cooperative later withdrew its request for incorporation, but renewed it recently. It was to this second petition Pennsylvania Electric answered Wednesday.

If the new company is incorporated, the utility alleges, it will duplicate Pennsylvania Electric's own business of supplying power to numerous small firms in western Pennsylvania.

In addition, the Johnstown firm said incorporation of the cooperative would cause "damage and loss" to the farmer.

The Cooperative proposes to construct an electric generating plant and sell energy to seven western Pennsylvania Cooperatives, the utility asserted, listing them as:

Jefferson Electric Cooperative, Southwestern Central Rural Electric Cooperative Corporation, Northwestern Rural Electric Cooperative Association, Central Electric Cooperative and the Valley Rural Electric Cooperative.

## CONTRACT FOR NEGRO PLAYER IS DISCUSSED

Durham, N. C., Oct. 25.—(P)—President W. G. Gramham of the minor leagues was here today he would probably approve the contract of Jackie Robinson, negro baseball player, with Montreal, just as that of any other player.

At the same time he raised a question as to the propriety of negro leagues being "raided" of their players by other leagues.

Bramham's views were given out in the form of an interview through the public relations office of the National Association of Professional Baseball Leagues, which he has headed for many years.

## PITTSBURGH'S PARK PLAN TO BE STARTED

Harrisburg, Oct. 25.—(P)—Governor Martin ordered today the immediate start of a \$68,700,000 development program for Pittsburgh, including a 10 or 11 historic park in the heart of the city.

"It is my firm purpose and intention that the improvements x x x be so far proceeded with by the time the administration expires," Martin said in a statement, "that the commonwealth will be unqualifiedly committed to their completion."

## FUGITIVE SURRENDERS

New York, Oct. 25.—(P)—A blond, heavy-set man, dressed in bedraggled, muddy clothing, staggered into the Brooklyn "bandy" store of Louis Dvorkin today and said in a hoarse voice: "Cop, get cop." Dvorkin called police, who identified the man as Wilhelm Schmidt, escaped German prisoner of war from a camp at Gettysburg, Pa. Tired and hungry, Schmidt was turned over to the FBI.

## MOTOR INDUSTRIES UNION TO HOLD THIRD VOTE IN FORD FACTORIES ON NOVEMBER 7

**First Tabulations Show Members Favor Strike By a Majority of 8 to 1, With More Than 20-1 Landslides in Other Cities**

## DISPUTE IN MOTION PICTURE CENTER TERMINATES

Automobile workers in 22 Chrysler Corporation plants marked strike ballots today as an early count of votes among some of the 350,000 General Motors employees in a similar poll indicated an overwhelming majority in favor of a work stoppage.

Final results of yesterday's vote on the strike issue, which is part of the CIO United Automobile Workers campaign to obtain a 30 per cent wage rate increase for a half million motor industry employees, were expected to be announced later today. The union's third vote will be held among Ford Motor Company workers on November 7.

A union spokesman in Detroit estimated about 100,000 voted, including about 50,000 in the Detroit area. First tabulations showed workers favored a strike by a majority of more than 8 to 1, with more than 20-1 landslides reported at the big corporation's plants in St. Louis, Atlanta, Ga., and Memphis, Tenn.

The ending of the eight months old strike of motion picture workers in Hollywood—which union leaders estimated cost workers \$15,000,000 in wages—afforded the other major news along the nation's labor front in the last 24 hours. The number idle over labor disputes remained virtually unchanged at around 225,000.

In Detroit, General Motors Corporation officials, as well as CIO-UAW leaders, although still far from agreement in their wage dispute, expressed hope that no strike would be called.

Although the AFL executive council in Cincinnati called off the strike of movie workers, a union leader in Hollywood said he would decide today on whether picketing is to continue at Warner Brothers studio. Warners is not a member of the Motion Picture Producers and Distributors Association nor the Independent Picture Producers, whose leaders, Eric Johnston and Donald Nelson, had met with the AFL executive committee in attempts to effect a settlement.

The 7,000 workers affected by the prolonged walkout were expected to be back on their jobs by Monday at the latest, but issues involved in the jurisdictional dispute were not expected to be ironed out for some time.

Service on the American Airlines between Chicago and New York was cancelled today because of a strike by mechanics and

## Bronze Star Medal For Joe E. Brown

Chicago, Oct. 25.—(P)—Comedian Joe E. Brown shed his patter of laugh provoking gags as the familiar role of star was thrust upon the movie funny man at a testimonial dinner at Federal Judge Michael L. Igoe.

Brown, who trouped in combat theaters to entertain thousands of American servicemen, last night was awarded the Bronze Star Medal, the highest military award for a civilian.

It was pinned on Brown, who was master of ceremonies, after a surprise announcement of the honor, by Brig. Gen. E. B. Seaver, representing Gen. Jacob L. Devers, commanding general of the Army Ground Forces and formerly commander of the Sixth Army Group in the European theater of operations.

The medal was in recognition of the comedian's "meritorious achievements" in entertaining more than 100,000 American soldiers in North Africa, Sicily and Italy in 1944.

## Job Legislation Future Uncertain

Washington, Oct. 25.—(P)—President Truman was told today that he will have to trim his sails if he expects to get postwar employment legislation through congress.

The suggestion came from Chairman Manasco (D-Ala.) of the house committee on executive department expenditures, who called at the White House. The committee is now conducting hearings on the president's "full employment" bill.

Leaving his conference with Mr. Truman, Manasco told reporters that the measure will have a "lot of amending" before it will meet with congressional approval.

Several key legislators said they had heard Mr. Truman planned to "go to bat" for the measure. It has been stalled in the house expenditures committee ever since it passed the senate more than a month ago.

## Film Star Shunned As C. O. Is Praised By His Buddies

San Francisco, Oct. 25.—(P)—Sgt. Lew Ayres, former film star shunned by the public when he refused to bear arms as a conscientious objector, is back in his homeland today—a soldier praised by his buddies as "a good guy and a good G.I."

Yellowed from atabrine and looking older than his 36 years, Ayres said he was uncertain about his future.

"I don't mean to be evasive about my plans, but just now I have the bewildered look and feeling of any soldier coming back through the Golden Gate," he grinned.

Typical of the change in public feeling toward Ayres was his reception here when he walked down the gangplank of the transport Cape Meares after 22 months of service in the southwest Pacific.

## Kiwanians Hear Rev. Payne Chaplain at Famed Child City

Rev. C. D. Payne, Protestant chaplain at Mooseheart, was guest speaker for the luncheon-meeting of Kiwanis Club at the Hotel Carver on Wednesday, giving members some data on juvenile delinquency which had been gleaned through his years of work with young people.

Stating that all crime stems from a "need" and that need varies with the group from which the criminal comes, he stressed his belief that the three major requirements of these groups are security, recognition and encouragement. Some individuals attain these needs in different ways, providing the many reasons why the criminal kills, steals, etc.

The speaker really summed up all his other arguments in the simple statement that no person is born a criminal, and that personalities are quite often first ruined through lack of affection in early life.

Announcement was made that Warren members and their wives will make up a sizable representation for the 10th anniversary party being held next Monday evening, October 29, by the Kane Kiwanis Club, since that unit was fostered and organized by the local group.

Guests this week were A. J. McDonald and Walter Kiser, Moose Lodge members who accompanied Rev. Payne; Stanley Wilmott, of Pittsburgh; and C. E. Bartholomew.

At last week's luncheon-meeting members enjoyed a fine talk by John Finley, of Erie, division freight agent for the Pennsylvania Railroad Company. At the close of his talk, the group had a better understanding of the conditions that have given the Renovo Division the nickname of "The Rocky Road to Dublin".

He explained that thousands of tons of ore have been handled and are still going over the local division lines. This, coupled with the fact that manpower has been reduced about one-third by losses to the armed services, accounts for the fact that the lines are now in sub-par condition.

Mr. Finley really had two subjects, the second having to do with his recollections of the period when he was manager of the San Francisco Division office of the PRR, a position which gave him opportunity of covering the state thoroughly and frequently. He spoke of the tremendous increase in population of the west coast through war's program, shipbuilding and aircraft industry.

## Pennsy Patrons Want Present Type of Pullmans Retained

Considerable concern is being expressed by the many Warren users of the Pennsylvania Railroad over the probability of the discontinuance of the new type Pullman car which has been used between here and New York and Washington for the past several months.

Since the time when the over-ment ruled out the use of Pullmans on trips of less than 450 miles, Warren travelers on the Pennsylvania Railroad have enjoyed a brand of Pullman service which, to say the least, was a big improvement over the antiquated accommodations heretofore available. The new type car—at least "new" on this run but "old" on many shorter ones—features five convenient private bedrooms, improved berths, air-conditioning and other "modern" railway conveniences.

However, it has recently developed that when the O.D.T. 450-mile limitation is called off, Warren people going to Washington or New York will have to go back in the old-time antique all-berth Pullmans, while the newer, more comfortable cars we now have will be diverted to shorter runs.

In a statement to the Times-Mirror today, one prominent businessman, who has been making frequent use of this run for the past 40 years, observed that the discontinuance of the new-type Pullman would very likely result in the disadvantage of the Pennsylvania Railroad, for the New York Central out of Westfield and the Erie out of Jamestown have the bedroom, low-cost roomette or modernized open-berth accommodations which are greatly preferred.

"The Pennsy is a good road," he commented, "and it is important to every citizen of this community

## Proclamation Of Election Printed Today

Elsewhere in this issue today appears the proclamation issued by the county commissioners in compliance with the provisions of the act of assembly of this state, calling attention to the election to be held Tuesday, November 6, between the hours of seven a. m. and eight p. m.

Every qualified voter should consider it his duty to read the proclamation for the information that is contained therein. It is generally conceded that one of the quietest elections in the history of the county is coming to a close, and predictions are being made that less than 25 per cent of the voters will turn out in the state.

Few voters are acquainted with the election details, and it is surprising how many fail to realize that there is a contest for all state and county offices. Attention should also be called to the four proposed amendments which are of vital importance to all citizens of the commonwealth. These are outlined briefly in the proclamation, which will be found on page 1 of this issue.

The list of candidates for state and county officers follows:  
Judge of Superior Court—A. Marshall Thompson and John Morgan Davis, Democratic; John C. Arnold and W. Heber Dithrich, Republican and American Labor; Charles Palmer and C. Wilfred Conrad, Prohibition.

Register and Recorder and Clerk of the Orphans Court—Harry C. West, Democratic; Donald E. Schuler, Republican.  
District Attorney—C. Henry Nicholson, Democratic; Myer A. Kornreich, Republican.

Coroner—John D. Haggerty, Democratic; Ed C. Lowrey, Republican.

## New Engineer Appointed In Warren Area

Col. Walter E. Lorence has been appointed as Chief Engineer for the Pittsburgh District, relieving for duty October 17 and relieving Lt. Col. Charles M. Wellons, acting district engineer.

With the cessation of hostilities, the Corps of Engineers will again assume the normal role of improvements and new construction in connection with river, harbor and flood control projects. As you are aware, most of the civil construction was suspended during wartime and Colonel Lorence will supervise the resumption of this work, as well as an extensive postwar program.

## Scout Rally Tonight Will Be Big Event

Plans for the Fall Round Up Rally and Court of Honor Program to be held this evening at Beatty School it was learned this morning from Nick Andersen, director of the event. The program is being sponsored and run jointly by the Camping and Activities Committee and the Scout Advancement Committee of the Warren County Council Boy Scouts of America. A large delegation of Scouts, Cubs, and their parents and friends are expected to participate in the program.

The program of the Rally, under Mr. Andersen's direction will include a grand entry of all the Scouts and Cubs, a Cub Show, contests in "re-by-friction", fire making by flint and steel, both Morse and semaphore signalling, a first air race, an obstacle race, and a demonstration of the proper method of making and carrying a pack.

The men giving leadership to the various parts of the rally are: direction of the music, F. H. Hetrick; the grand entry, Gilbert M. Sanford; the roll call and score keeping, R. L. Endress; The Cub Show, J. C. Ellis; the pack making demonstration, J. S. Pees. In charge of the competitive events will be C. W. Barvis, assisted by J. E. Hazeltine, Jr., J. W. Wilson, Burr Garvin, Brackett Ayers, William Lightner, Carl Werner, Ralph A. Havrah, Chairman of the Usher will be C. L. Thompson. Announcer will be E. W. Knapp, and Fred Watt has been in charge of preliminary physical arrangements.

The Court of Honor will follow the various events included in the rally and will be under the leadership of H. L. Blair, Chairman, and assisted by C. C. Winans, William M. Hill, H. L. Banghart, Nick Andersen, Bert Levinson, and B. W. Knapp.

## Personal Paragraphs

Arthur Jackson, 619 Pennsylvania avenue, east, fell in the bathroom of his home on Wednesday and fractured a rib. X-rays were taken at Warren General Hospital the injury strapped and he was discharged.

Mrs. Blanche Ransom, of Youngville, employed at the Star Manufacturing plant at that place, received a fracture and dislocation of her left ankle Wednesday when she fell downstairs at work. She was admitted to Warren General Hospital for further care after the fracture had been reduced and a splint applied.

Mrs. May Ball DeForest, Market street, who had the misfortune to fall and injure herself recently, is now much improved and able to be up and about.

## WAKE UP YOUR DIGESTION BELOW THE BELT

Without Stomach Relievers  
This Kind of Laxative Help Often Needed When Lower Sluggishness Causes Gassy, Bloating Misery

When most food leaves the stomach, it is by no means fully digested. It is in the 25 feet or more of intestines that the greater part of digestion is done. When we get congested these later stages of digestion often slow down. Then food is apt to ferment and decay excessively in the bowels. As a result we may feel full of gassy bloating and other indigestion miseries. That's when you need Bechman's Pills. They work to relieve this congestion of waste and encourage the welcome elimination which is a prompt relief to digestion below the belt. Ask your druggist for gentle, all-vegetable Bechman's Pills today. Caution: Use only as directed, 21c.

### Is Promoted In Yokohama

Headquarters of the Americal Infantry Division of the 8th Army, near Yokohama, report that Peter J. Orlino, 38 Deer Lick street, Sheffield, has been promoted to technician fifth grade, from private first class, while serving with some of the first American forces to occupy Japan.

The Keystone State corporal is a member of the 26th Signal Company with the Americal Infantry Division and is stationed near the town of Fuchinohe approximately equi-distant from Yokohama and Tokyo. His veteran division, the Americal, reached the Japanese homeland less than a week after the surrender terms were signed. It was among the first infantry divisions to land, preceded only by the 1st Cavalry and 11th Airborne divisions.

The Americal Division steamed into Tokyo Bay just three years, seven months and sixteen days after its leading elements left the United States for the Pacific. At Guadalcanal the Americal became the first army ground unit to take the offensive in the war and later fought for eleven months on Bougainville. In the Philippine Islands campaign the division invaded Cebu, Bohol, Negros, and other lesser islands off southern Luzon as well as in the Visayan group, and participated in the mopping up operations on Leyte, Samar, and Mindanao.

### "Finger of God" Is Radio Play Choice

The Finger of God, by Percival Wilde, is the radio drama which will be presented by The Warren Players on the Sunday afternoon program sponsored by the Metzger-Wright Company. The play is an impressive one and has been successfully produced on national network programs. The Finger of God was also produced in the Warren Players Studio Workshop.

In the cast are Anne Krantz Hyatt, Duane Wilder, and Robert Whitehill. Both Anne Hyatt and Duane Wilder have made previous radio appearances, although it will be Mrs. Hyatt's first role in the present drama series.

Tomorrow evening there will be auditions for the November 4th radio drama, The Happy Journey to Trenton and Camden by Thornton Wilder. Casting will also be completed for The Drums of Oude, by Austin Strong, the play planned for production on November 11th.

The auditions will be held at 8:30 o'clock at 438 Pennsylvania avenue, west. The cast of The Happy Journey calls for a narrator, one man, two women, a boy and girl. The Drums of Oude calls for one woman and four men.

Anyone who does not find it possible to attend tomorrow evening's auditions is asked to call for private auditions, which may be arranged with the director of the series, Olive Archibald Huff.

## Some Facts You Should Know About the Suit Shortage

**Veterans' Demand For "Civvies" Growing** A good part of the steadily growing demand for suits is due to the stepped-up discharge rate of servicemen. This buying will increase with the intended freeing of 1,500,000 men in November and December.

**Civilians Replace War-Worn Outfits** Patriotic civilians didn't make normal replacement in their wardrobes during the war and are making those deferred purchases now.

**Labor Shortage a Big Factor** The entire clothing industry has trouble getting help. It needs thousands more workers of all skills.

**Production Slow** It takes 6 weeks after the cloth reaches the clothing factories before it appears as suits. And because linings, buttons, trimmings and bindings are all short, the time before you see a finished product is lengthened.

**We Want You to Know** that The Printz Company is doing everything in its power to bring you the best available. We have at no time sacrificed our high standard of quality to bring you "quantity." The manufacturers we buy from, many of whom are the most famous in the men's clothing industry, promise us deliveries as big and as often as they can humanly make them. #### ATTENTION GROWERS!

The Department of Agriculture is standing behind its promise to support the price of white potatoes. You can be sure of getting at least the announced support price for your 1945 crop by putting your potatoes under loan. But remember—the loan program is the only way the Government is supporting prices for the "late" crop. So get in touch with your county Triple-A office if you want to protect the price on your crop. Loans will be available to farmers until November 20.

### MIGHTY VICTORY LOAN DRIVE

The mighty Victory Loan Drive, eighth in the series of great War Loan drives, opens Monday, October 29th when rallies and meetings will be held throughout the entire country. This vitally important Victory Loan—THE LOAN TO WIN THE PEACE—has a national quota of eleven billion dollars, of which Warren county's share is \$2,035,000.

Volunteer workers of Warren county will hold a big Victory Drive Rally Monday evening, October 29th, at the Columbia Theatre. The doors open at 7:15 p. m. and the Warren High School band will present an inspiring thirty minute program of patriotic music, preceding the opening of the Rally at 7:45 p. m.

An unusually fine program, arranged by Harry R. Lewis, and emceed by William E. Rice, will include a sensational film, "Justice Be Done," showing exclusive pictures of Nazi leaders and collaborationists. A mighty array of favorite film and radio stars including Bing Crosby, Bob Hope, Betty Hutton, Alan Ladd, Barbara Stanwyck, Humphrey Bogart and many others will appear in "Hollywood Victory Caravan."

This rally is for all workers in this 8th Victory Loan Drive, both borough and county. If you are a worker, there's a complimentary ticket for you. If you have not received yours, get it tonight or tomorrow from your leader or at Room 201, Warren National Bank Building.

### VOTE "YES" ON THIS PROPOSAL

Oil City Derrick

Sheriff Jim Marshall of Venango county sends us some material pertaining to the proposed constitutional amendment No. 2 which will appear on the ballot at the coming election. This is the amendment which would permit sheriffs to succeed themselves. Why the Pennsylvania constitution forbids this we do not know, but it does; and it requires an amendment to correct it.

While Sheriff Marshall is for this amendment, it would not benefit him. Jim has made a good sheriff. His term will expire next January. But he sees the worth of it. The duties of sheriff involve many more technical and legal complications than most people realize. It is quite logical that a really good citizen in the office of sheriff can be of greater value to his community in a second term than in his first. This is especially true in the smaller counties where the sheriff must conduct his office with very little assistance. Voters can always take care of a bad sheriff by refusing to re-elect him.

It seems only fair that any official who has faithfully served the people of his county for four years in the difficult office of sheriff should have the right to ask the people for another four years. If he has not been a faithful public official, then the electorate can turn him down.

This is what the people of Pennsylvania will decide by their vote on Amendment No. 2-A. By voting "YES" they will permit the sheriff to succeed himself in office.

### CONTROLLING THE ATOM-SMASHERS

We suspect that the anonymous scheme for controlling atomic energy, which President Truman and several members of Congress have received, may not be as crazy as it sounds.

The scheme, you may recall, is briefly this: Create a group of super-race geniuses, the test-tube offspring of carefully selected United Nations geniuses, educate them in the world's best schools as world citizens, then let them run the atomic show for the good of mankind.

The plan doesn't say who will control atomic power until the super-children grow into supermen and women. There is also another bad angle—the plan doesn't get away from human fallibility.

Obviously what the world needs is not so much a control of atomic power as control of the people who know the secret. And it seems to us that if scientists are smart enough to harness the energy of the universe they should be smart enough to create a race of mechanical men to develop, produce, parcel out and guard that energy.

These mechanical men would have to be built with better brains than the human ones of their creators. Such things as greed, envy, malice, and the notion that they were better than anyone would have to be carefully excluded from their emotional equipment. The mechanical men would be an ideal group of wise, detached scientists who never heard of war and probably would think it excessively stupid if they did.

Our plan will take some doing. And we think that science ought to give it a try. For a lot of people like us aren't really going to feel easy about the survival of the world until one of man's most brilliant discoveries is taken away from man and put into the hands of the robots.

## YEARS AGO IN WARREN

Interesting Items Taken From The Warren Evening Times

In 1925

The metal furniture industry is destined to become one of Warren's leading industries. The Jamestown Metal Desk Company will take over the former Gisholt plant and begin operations.

Warren service clubs and the county medical society will bring here from Pittsburgh one of the leading orthopedic surgeons, Dr. Silver, to hold a clinic for crippled children.

Much interest has been aroused by local housewives concerning the cooking demonstration to be held at the Woman's Club by Mrs. Lilla Cross, well-known cooking expert. The Times-Mirror is sponsoring the event.

The awning on the front of the Chautauqua Gas Company office, Pennsylvania avenue west, was torn off completely by a terrific windstorm.

In 1935

Dr. Ira A. Darling, superintendent of the Warren State Hospital, will speak at the Pennsylvania Public Charities Association meeting to be held in Bradford.

Dr. James M. Gibb, chiroprapist, will be absent from his office on all Monday and Tuesday mornings during the school year. He is taking graduate work through Temple University for his D. S. C. degree.

Roy H. Hammond, district manager, R. R. Alberts, of the executive staff, and J. H. Wade, local manager, all of the Atlantic Refining Company, were guests at the Kiwanis Club weekly luncheon.

County Treasurer Gerald Wright has announced that all 1932 taxes are due and, if not paid, property tax sales will be held on all unpaid lands.

### WILL MAKE STARTERS

Robert E. Dunham, President of Sunray Electric, Inc., has announced that their company is making arrangements to expand its facilities to produce glow starters for fluorescent tubes. Complete equipment is being purchased and installed for the production of between 5,000 and 10,000 complete starter units per day. The starter will be made completely in Warren including the negative glow switch which is the heart of the device.

### SPRINKLER CAUSED ALARM

Letting go of a sprinkler at the Metzger-Wright store yesterday afternoon caused an alarm of fire to be turned in and the department responded. There was no damage.

From where I sit... by Joe Marsh

"There ought to be a law!"

Every now and then, when I run out of news for the *Clarion*, I print items about what happened Fifty Years Ago in Our Town. May be a lazy man's way of filling space, but it often makes mighty interesting reading.

Seems like human nature is always repeating itself. Same old prejudices, bickerings, and mistakes. Here's an 1895 politician trying to restrict free speech... a demagogue crying out against women's rights... a local com-

mittee raising the bugaboo of Prohibition.

Same old cry down through the years: "There ought to be a law!" Same old desire of one group to force its opinions on another.

From where I sit, it's not more laws we need—nor more restrictions of our right to think, and choose, and live as we see fit. But more tolerance and understanding—more "live-and-let-live" among human kind.

### COPS SOLVED PROBLEM

One of the coppers on his beat last night in the wee sma' hours heard a tap, tap, tapping near the rear of the Grotzinger Restaurant. Listening carefully he was unable to locate the source and other officers were called in to have a listening. The combined efforts of the three finally deduced that a rope swaying on a flagpole in the

wind was causing the noise and the coppers folded up their stethoscopes and ear trumpets and silently resumed their beats.

The first regularly scheduled radio broadcast was a report of returns of the Harding-Cox presidential election presented in 1920.

# Scouts Enjoy Ceremony and Parents Night

The annual Troop 9 presentation of charter and Parents' Night, held in First Methodist church, opened with a flag ceremony conducted by Alan Schuler, senior patrol leader, and a welcome extended by C. A. Babcock.

An investiture ceremony was next on the program, when Paul Gordon, Karl Smith, Johan Stohl and John Wood were invested by Scouts and Scout leaders. But Garvin, commissioner, presented the charter to Rev. Wayne Furman, pastor of the church.

Contests in first aid signalling, pack making and fire building were held among the various patrols with the following winners: First aid and fire building, the Hawks; signalling and pack making, the Woodpeckers. A compass was presented to the Hawks in recognition of their work in previous patrol contests.

A report on activities of the troop was given by Alan Schuler; financial report, Julian Gordon; program report, C. C. Winans; advancement report, H. L. Blair; senior scouting, Don Taft. Registration cards were given to Scouts by Scoutmaster Ray Lewis, after which troop leaders gathered about the troop flag and took their oath to discharge their duties to the best of their abilities and to carry on the traditions of the troop.

After this, a game of "Scout Bingo" was played, with Clyde Smith as the winner, and the closing was conducted by Rev. Furman.

Refreshments were served by Assistant Scoutmasters M. P. Johnson and Royce Baker, assisted by some of the older Scouts. The room had been beautifully decorated with autumn leaves the previous evening, this work being done by Quartermaster Dave Winans and a group of Scouts.

# MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

Many sufferers believe nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about a pint a day. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, sitting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder. Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's gives happy relief and will help the 15 miles of kidney tubes flush out your poisonous waste from your blood. Get Doan's Pills.

### Young People's Service At Trinity

The "Church of Tomorrow" Service next Sunday evening will be held in the sanctuary of the Trinity Memorial Episcopal church at 6:45. This service will be the "Carol Even Song", the Versicles and Responses of which will be sung by the PAK Choir. The psalter will be read by Naomi Snyder, the lesson by Elizabeth

Bathurst and the prayers by John Robertson. Acolytes will be Mark Rutledge and Robert Gibb. The public is cordially invited to attend this service.

Preceding the service, the PAK Choir will rehearse in the church parlors with Mrs. Robert Beatty at five o'clock, and will then join other young people in the dining room where supper will be served at 6:10. The following Sunday's service, details of which will be announced next week, will be held in the sanctuary of the First Presbyterian church.

### Wants Coordinated Action

Be sure to hear Mrs. Denman on Friday. She's a real dynamo... She has that fascinating and forceful personality which every woman would love to possess... She's a man's speaker, too. Her wit, enthusiasm and clear intelligence carry everyone in her audience along with her.

With me, Mrs. Denman's talk is a MUST... These comments, only a few of many heard in the past few days, were picked up in conversations which followed the meeting of the Council of Community Agencies on Tuesday night, and are relative to Mary Thompson Denman, of Pittsburgh, morning speaker at the Pennsylvania welfare conference at 11 a. m. Friday at the YWCA activities building, and field representative of Pennsylvania Public Charities.

Mrs. D. E. Conaway, Conewango avenue, knew Mrs. Denman when she was Mary Thompson, Tri Delt at the University of Pittsburgh. Later she was graduated from Pitt, and received her degree in law from the same institution. She is not only a lawyer in her own right, but is married to a lawyer, Robert Denman. Many in Warren will recall her visit here in the spring of 1944, when, as national membership chairman of the Business and Professional Women's Clubs, she was guest speaker for the meeting of clubs of District One.

As a one-time member of the Pennsylvania State Legislature, Mrs. Denman knows the ins and outs of its workings. She is an authority on all phases of law which touch upon welfare work. That background, with her charming personality and talent as a convincing talker, has made her invaluable in her present position, the task of lobbying for a more unified and coordinated welfare program for Pennsylvania. She's a MUST for anyone to hear on "What Are Pennsylvania Legislators Doing For Our Children?"

#### Hallowe'en Motif Is Selection For Community Event

Young people have their plans in good shape for their community Hallowe'en party on Saturday evening. Co-chairmen George Spinney and Charles Coehner have asked that all committee heads turn in the names of their members to the party supervisor, Mrs. Olive Huff, by this evening. This week's party starts with the freshman class age.

Teresa Fino, chairman of the floor show committee, has announced that Johnny Erickson will be master of ceremonies for the performance at ten o'clock Saturday night. Dale Soderburg's Orchestra is the band of the evening, for both dancing in the gym and the floor show. The numbers booked for Saturday evening will be announced tomorrow.

The doors for the party will open at eight o'clock. Because of the change in store hours, the young people are staging their parties a half hour earlier. The goal is to have everything taken care of by midnight, which will be possible with a cooperative group of volunteers on cleanup.

The game rooms will be open from eight o'clock until the time of the floor show. The refreshments committee will work in three shifts during the evening.

Betty Lou Hook and Dick Kaufman have asked that all members of their decorating committee be on hand at two o'clock Saturday afternoon. Don Scalse and Ronnie Massa are expecting members of their setup committee in the Beatty gym at the same hour.

Teresa Fino has arranged for a final floor show rehearsal at four o'clock Saturday afternoon. Bill Carter has been working on the public address system and reports that it is in good shape for the show.

#### Eight Members Of Women Of Moose Birthday Guests

Eight charter members of Warren Chapter, 693, Women of the Moose, will be honored guests when the chapter holds a tureen dinner November 7 in observance of the 23rd anniversary of the founding of the unit. Those to receive the special invitations are Mary Brown, Emily Dietsch, Helma Larson, Alice Lauffenburger, Grace Miller, Grace Moore, Genevieve McMahon and Elia Small. The chapter was organized November 3, 1922.

Plans for this observance were perfected at last night's meeting of the chapter, conducted by Senior Regent Mary Kirberger.

It was announced at this session that Bertha Sveting and Hilda Anderson will receive the degree of the College of Regents at Mooseheart, Ill., on November 7, and Gussie Anderson, who will accompany them, will receive the Academy of Friendship degree, all three having high honor bestowed upon them through these degrees.

Mary Teconchuk was given graduate regent's pin by the chapter, Hilda Anderson making the presentation. Mrs. Teconchuk and Virginia Hanks received the awards for the evening.

The meeting then adjourned for members to go to the special men's session and hear a wonderful address on Mooseheart by Rev. Donald Payne, chaplain at the home.

#### Harold Wineriter Weds Indiana Girl

In a simple, yet beautiful ceremony in the Christian church in Brownstown, Ind., Friday evening at nine o'clock, Miss Mildred Stevens, daughter of Mrs. Wesley Stevens, became the bride of Harold Wineriter, son of Mr. and Mrs. Clare Wineriter, of Warren. The Rev. John U. Phelps, pastor of the church, read the single ring ceremony in the presence of the immediate family and a few friends. Miss Joy Delight Stewart played the traditional wedding music. The bride was lovely in a two piece ensemble of Copenhagen sheer wool. Her flowers were pink roses. Her only attendant, Miss Esther Hookkiss wore a two piece wool suit of brown with a corsage of yellow roses. Riley Stevens, uncle of the bride, was best man. Immediately following the ceremony, a reception was held at the home of the bride. The table was beautifully decorated and centered with a three-tiered wedding cake. Mrs. Wineriter was graduated from Brownstown High School with the class of 1941, and attended Central Business School in Indianapolis, where she has since been employed. Mr. Wineriter was recently discharged from the United States Army after five years' service, three of which were spent in the Pacific theatre. The young couple will be at home to their friends at 2321 North Talbot, Apt. 2, Indianapolis, Ind.

**GLEANERS CLASS HAS BUSY SESSION**  
The Gleaners Class of Grace Methodist church met at 7:45 p. m. Tuesday in the Winger room, with a large attendance for the meeting called to order by the president, Mrs. James Hathaway. Devotionals were led by Miss Phoebe Finley, who also offered prayer. Officers gave their reports and "Secret Sisters" exchanged gifts. Mrs. Hathaway read a paper on "Stewardship" and turned the meeting over to the hostess, Mrs. Matilda Hornstrom. The following program numbers were then enjoyed: Two vocal solos, Mrs. Ruth Lindquist; two piano solos, Miss Lois Hulings; two readings, Mrs. G. S. W. Phillips; two clarinet and cornet duets, Lucile and Gilmore Samuelson; vocal duet, Mrs. Blanche Mitchell and Mrs. Ella Thompson. After the program, all were invited to the dining room where refreshments were served by Mrs. George Valentine and her committee.

**TULLER-SORENSEN RITES ANNOUNCED**  
Mr. and Mrs. Henry Sorensen, of Cobham Park, announce the marriage of their daughter, Emily R. to Ivan L. Tuller, son of Mr. and Mrs. O. C. Tuller, of North Warren. The ceremony was performed Monday evening at the Tuller home, Rev. R. H. Eggleston, pastor of First United Brethren church, officiating. The bride was attended by Jean Park, of Clarendon, and Charles Johnson, of the same place, was best man. A reception followed for the immediate families and close friends.

## WORD FROM SONS

Mr. and Mrs. Clarence C. Akley, of Russell, have received word from their son, Cpl. James G. Akley, that he is well and stationed at Eschwege, Germany, where he has charge of the recreation center, basketball court, gym, etc. He has been in the army for two years and overseas for 16 months. Before he entered the army he was employed by Struthers-Wells and played base ball with Struthers and National Forge. The Akleys have also had a letter from another son, Pfc. Clarence Jr., stating that he is well, is stationed in Hawaii and is driving a jeep. He reports they have a basketball team at his station, that he is playing on the first team and

has been very successful so far. It will be recalled that he was a member of last winter's Struthers-Wells team.

## JAMES J. NEWTON WILL BE DISCHARGED

Lt. James J. Newton is spending a furlough with his parents, Mr. and Mrs. James Newton, North Warren, before receiving his honorable discharge November 4 following six and one-half years in the army. His brother, William L. Newton, who was a staff sergeant, was recently discharged from military service after six years and two months. He is visiting here for a few days from Knox, where he is employed by the Knox Glass Company, and the brothers are

holding a happy reunion, their first in six and one-half years.

## NOW NEAR TOKYO

Joseph DeVaul, 4 Euclid avenue, has had an interesting letter from his brother, T/5 Elwood DeVaul, who was employed by the Warren Baking Company before he entered the army. Referring to his last letter written from the Philippines, he says: "I really saw most of the damage done in this Pacific theatre. I visited Manila and took a few pictures, and when we left the Philippines we flew by C-46 to Okinawa, and stayed there about a week and a half. That place is the worst I ever saw, so darned hot you can't stand it and no trees or buildings for shade. We gladly left Okinawa by C-54 and that is the sweetest transport plane I ever rode in."

"We landed here in Honshu at Asutagi Air Field and went to Yokohama by bus, and had a pretty good time there. I spent a day in Tokyo and visited the Emperor's palace and then went to the diet building. But now things are changed. I am about 200 miles north of Tokyo and in a hospital again. The weather was such a change from all that hot climate that most of us have colds. I am all right and expect to be out day after tomorrow. Up here I am in a place called Yamagata and we have it pretty easy, the Japs do all the work. T/5 DeVaul would like to hear from friends at home, who may get his new address from his brother."

## IN REST AREA

Word comes from the U. S. Rivera recreational area at Aves, France, that Pfc. Harry W. Zinger, truck driver with the 46th Medical unit of the 4th Armored Division, was among those who recently spent a seven-day rest furlough at that center. Pfc. Zinger has been overseas for eight months and wears the European theatre ribbon for campaigns in France, Czechoslovakia and Germany. Prior to the war, he was a truck driver at Warren State Hospital.

## WATCHED OPERATIONS

A special dispatch from Wakayama, on Honshu, Japan, indicates that a number of local seamen were among those of the task force who were topside watching landing craft put occupation troops ashore there on September 25. These included Raymond Nelson Anderson, radioman third class on the USS Sylvania, son of Mr. and Mrs. John A. Anderson, 10 North Marion street; Clifford Carlson Graham, radioman first class on the USS Catskill, son of Mr. and Mrs. H. D. Graham, 700 East street; and Russell M. Scott, motor machinist mate third class on the

USS Wasatch, son of Mr. and Mrs. Merle J. Scott, 104 Church street, North Warren.

## NEWS OF SONS

Mr. and Mrs. James Miller, of North Warren, have had word from their son, James C., who is stationed on the Hospital Ship St. Michel at Pearl Harbor, that he has been promoted to corporal. At present his ship is undergoing repairs and she has no knowledge of future plans. Another son, T/Sgt. Charles H. writes that he has been transferred with his infantry unit from Mindanao in the Philippines to a point near Hiroshima on Honshu.

## HONORABLY DISCHARGED GERALD E. FITZGERALD

Pfc. Gerald E. Fitzgerald, son of Mr. and Mrs. J. V. Fitzgerald, Stoneham, was honorably discharged from military service October 17 at Indiantown Gap. Former student at Stoneham school and employee of the Warren Gear Manufacturing Company, he was inducted November 30, 1942, at New Cumberland. Later he was transferred to Camp Rucker, Ala., and after four months training went overseas for 28

months with the Third General Hospital. He was in France, Italy and Northern Africa.

His brother, Glenn V., seaman second class, is anchored in Sasebo, Kyushu, Japan, and reports that he has seen some of the torn up towns and is now only one-half mile from the point where the atomic bomb struck. He has two invasions to his credit and his ship has a score of 150 Jap mines. He writes that he doesn't expect to be home for some time.

## FRED NEAL TRAWICK RELEASED FROM NAVY

Fred Neal Trawick, seaman first class, of 1105 Pennsylvania avenue, east, was honorably discharged from naval service on Sunday at Bainbridge, Md., separation center. In the navy for six months, he has been stationed in New York.

## LOCAL MAN TRANSFERRED

Word has come that Captain Robert W. Schwartz has been transferred to the Transportation section in Manila. He is in charge of the Cargo Mvt. Branch in the Chief of Transportation's office with headquarters in the Far Eastern University Building.

**MEN AND WOMEN IN SERVICE**
**Released Jap Prisoner Is Known In Town**

One of the happiest returning service men in this whole section is Marine Corporal Ray Emmett Rapp, son of Mrs. Nina F. Rapp, of Jamestown, and nephew of Mrs. Catherine Dinsmoor, 113 Lexington avenue, this city.

Reason for his particular brand of happiness is that he is again at home—a place that he dreamed of and thought of constantly to make three and one-half years in Japanese prison camps a little more bearable.

Young Rapp was released from a prison camp in northern Japan on September 7, was flown to Oakland, Calif., on the 12th and is now home on 90-day furlough.

Sent to China in October, 1940, he spent a year there and arrived in the Philippines in December, 1941, just as war was declared. He was taken prisoner with hundreds of others on Corregidor in May, 1942, and remained in the Philippines for six months before being transferred to Osaka. From there he was sent to a camp in Fusuki in northern Japan, where he remained until September 7.

## HAS PROMOTION

Mrs. Grace Schreffler, Warren Rd. 2, has had a letter from her son David Schreffler, in the Aleutians telling that he has been advanced to machinist's mate third class. He also writes: "I was aboard the flagship of Vice Admiral Fletcher, called the USS Panamint (AGC 13) where the Japanese signed the terms of occupation of Ominato Guard Area District. I have a copy of the terms, and six pictures of the Japanese officers and our admirals signing them. Boy, she was a swell ship and I am proud to have it. I and Stewart Greener have the only copy in the 124th Seabee."

## NORMAN D. MATTHEWS RELEASED FROM SERVICE

2nd Lt. Norman D. Matthews, son of Mr. and Mrs. Norman B. Matthews, 315 Water street, was released from service with the Army Air Forces October 18 at Drew Field separation center, Tampa, Fla. Prior to entering service in July, 1943, he was a student. He received his commission in November, 1944, at Carlisle Army Air Field in New Mexico.

## AREA SERVICE MEN DISCHARGED AT GAP

Men from this area included in the lists of those given honorable discharges at Indiantown Gap separation center are as follows: Captain James A. Davidson, 112 West Fifth avenue; Sgt. Richard H. Moll, 2041 Pennsylvania avenue, east; Pfc. Howard R. Goodard, 105 Pennsylvania avenue, east; Pfc. Forrest C. Curtis, 30 Plum street; Pfc. Louis J. Ertola, 640 Beech street; Pvt. Louis E. Nugent, 711

## New Fords To Be Displayed Here Friday

Friday is V-8 Day.  
An automotive public that has not seen a new car since the war will get the first opportunity to view the 1946 Fords on that day. Every Ford Motor Company dealer will have at least one of the new, improved models on display. J. R. Davis, director of sales and advertising, said that the company long has planned to be first in public display of automobiles. He said it had been hoped that prices of the new cars could be announced at the time of the public showing, but now it doesn't appear as though a price would be received from OPA by that time. Consequently, dealer deliveries to the public apparently will be delayed. "Ford production is rolling now and if we can go ahead unhampered, we should have hundreds of Fords in every sales area within a few weeks," Mr. Davis said. "We will continue to seek a price arrangement so persons who want to buy Fords may do so as soon as possible."

## SOCIETY

### Salem Evangelical Choir Is Praised

Twelve members of the Salem Evangelical choir were tendered an "appreciation dinner" in the church last evening, an expression of gratitude for their splendid service to the church and congregation. The church dining room was attractively decorated in crystal and silver, with lighted candles, and in the center of the table a big bowl of roses. These were later given to choir members as favors. Speakers were Dr. LeRoy B. Campbell, of the Warren Conservatory of Music, and Henry Baldensperger, vice president, who voiced the church's appreciation in the absence of the president, Paul Ristau. Rev. S. R. Schieb, pastor, served as toastmaster and interspersed a few remarks. Elvira Rydholm, Carolyn Huber, Ruth Kaebnick presented a comic skit and Mrs. Martha Jones and her sister, Ruth Ackert, pleased with a piano duet.

## Negro League Prexy Happy Over Signing

Chicago, Oct. 25—(A)—Dr. J. P. Martin, president of the Negro American Baseball League, said today he was "very happy" to see Jackie Robinson signed for the Montreal Royals of the International League, but added "the Kansas City Monarchs should have been consulted."

In a statement today, Dr. Martin said: "I am very happy to see it. It has been my ambition to see the Negro get into the big leagues, but I think they should have discussed the matter with us before signing Robinson like he was some sandlotter. They should have consulted T. Y. Baird, co-owner of the Kansas City Monarchs."

"I think Mr. Baird is just as anxious to see Robinson get into the big leagues as I am, but I'm sure he feels as I do, that he should have been consulted in the matter."

Robinson was signed by the Brooklyn Dodgers for their Montreal club Tuesday, the first Negro player ever to be admitted into organized baseball.

## Four '44 All-Americans Bid For '45 Posts

By HAROLD CLAASSEN

New York, Oct. 25—(A)—Four of the football players who won first places on the Associated Press All-America team a year ago are making determined bids for a return listing in December, a survey showed today.

Hubert Eichel, rangy Texas University end; Bob Fennimore, Oklahoma A. & M. back; and Army's pay-dirt twins, Glenn Davis and Felix (Doc) Blanchard, all are back for another try in garnering the sport's highest honor.

Of the seven other players honored at the close of the 1944 season, four are in the service, two are coaching and one, guard Bill Hackett of Ohio State, has been sidelined for the year by injuries suffered in a traffic accident.

Midshipman Don Whitmire of the Navy, and Caleb (Tex) Warrington of Auburn, are the young coaches who are representing the Middles and the Plainsmen in the present campaign.

End Phil Tinsley of Georgia Tech, tackle John Ferraro of Southern California, guard Halton Nichols of Rice and quarterback Leslie Horvath of Ohio State are the athletes who exchanged gridiron uniforms for service regalia.

Davis and Blanchard, teammates on the country's No. 1 team, have helped power Army to 13 straight triumphs of which four have been registered this season.

The two are tied for second in the eastern point-making with seven touchdowns each.

## Penn Coaches Sob Over Navy Game On Sat.

By TED MEIER

Philadelphia, Oct. 25—(A)—With the Navy game only two days away, the University of Pennsylvania grid coaches came up with a different sob story today.

"No one will care what happens to us next week after Navy gets through with us," moaned Rae Crowther, Paul Riblett and Horace Hendrickson, the three assistant coaches who are in charge of workouts during George Munger's absence. Munger, head coach, is ill and may miss the game.

"No one will be after us for tickets, no newspaper boys will be around for stories," the sad trio kidded. "We'll get licked and drop from seventh place nationally to around 28th."

This 30th meeting between the Midshipmen and the Quakers, both unbeaten and untied, is a 73,000 yellout and the demand for duets is getting so terrific that even speculators have been unable to buy any from the lucky ticket-holders. The game is regarded by many as the No. 1 game in the country bringing together eleven that ranked No. 3 and No. 7 in this week's Associated Press poll.

Although the Middles have beaten the Red and Blue four straight years, Crowther, Riblett and Hendrickson probably had their fingers crossed. It has gotten around that George Savitsky, star Penn tackle, declared before the season started that "we'll beat Navy or Army, but I don't know which one."

First new model airplane to come off France's assembly line is a transport, the Bloch 161, seating 60, and able to carry 15 more in its berths. It will carry 45 fully equipped paratroopers.

## BEHIND THE LINES

### BEHIND THE LINES

Communities, towns and cities throughout our nation are thinking seriously of war memorials, some sort of way to express their gratitude to the millions of American boys who have fought and died in World War II so that we at home can live peacefully.

And, too, various capable men and agencies have been making a complete study of the proper type of memorials which should be constructed. These factions travel the country over making surveys of just what there is a need for and determining just what the American servicemen want for a memorial.

Probably the most popular subject in Warren today, and for the past week or so, has been a war memorial, principally a modern recreational area to include football and baseball facilities, a swimming pool, tennis courts and other forms of recreation. This town has been severely criticized in sporting circles frequently for its failure to put forth a stadium with complete facilities for night games, dressing rooms, showers, and everything that goes to make the setup complete.

With the land donation made by Albert Ristau came gushing enthusiasm from most every mouth in town. In other words, the people are for it. They want to see athletics a post-war boom here. They want their children and themselves to have every opportunity of seeing and participating in the best of sports.

One must consider four points which are of extreme value when selecting a war memorial. First, the value of the memorial is the most important factor. Will the memorial be usable? Second, a war memorial must build community pride. The proposed stadium here would certainly make our townspeople stick out their chests. Third, the cost of a war memorial must be low enough so that posterity will not have a huge upkeep to shoulder. Fourth, the location of a war memorial is important. The Valvoline property on Lexington avenue, given free of charge to the townspeople, is an excellent place for a recreational center.

We believe that this attempt to finance a war memorial stadium will raise the money and build us a stadium, the thing that has been fought for, and lost, over and over again here. In years past the main stumbling block was the Russell Field oil rights, which prevented any large scale "reconversion" there; the question of money has been brought up time and time again, but we believe that the citizens of Warren will come through with "flying colors"; and always there was a matter of insufficient interest.

If you have any doubt whatever in your mind that the PTA is not already on its way toward a stadium, then we'll elaborate a bit more. First of all, the PTA Council gladly accepted Mr. Ristau's proposition, which was made to several of Warren's younger citizens, and it wasted no time. Then immediately it was given the "go" signal by the original committee, whose duty it was to investigate the possibilities of raising money and locating a possible site. The next step will be the appointment of committee members, which will probably include the outstanding interested men and women of the town.

The latest jump was announced today. Charles Taylor, a field representative of the National Recreation Association, will arrive here Tuesday morning with estimates of costs of both building and maintenance. This representative, who has traveled extensively and made the plans for memorials in many towns throughout this section, has stated that his most important project is the Warren memorial. For two years Mr. Taylor has been eyeing the local setup. He has visited here and given much valuable information.

The National Recreation Association is acclaimed as the only recognized recreational body in the United States. Its purpose, since the war has been to study memorial projects. Another of its duties was to survey servicemen and obtain their opinions of appropriate war memorials. One of the leaders in the survey was athletic stadiums.

We need the stadium here. Get behind it. Talk about it. It will not be for a select few—it will be for everyone.

## Control Board Will Decide Act's Legality

Harrisburg, Oct. 25—(A)—The Board of Control of the Pennsylvania Interscholastic Athletic Association at its fall meeting here Monday Oct. 29, is scheduled to give an interpretation of its constitution on the request of District No. 2's committee relative to the powers of suspension of a member school.

The district committee asked for the interpretation following a suspension of Forty Fort High School for the balance of the football season following an attack on grid officials by spectators and students at the Forty Fort-Pittston game on Oct. 12.

The grid officials filed a protest with the district committee following the attack and at a meeting of the committee Forty Fort was suspended by a vote of five of the six members. The sixth member being a representative of Forty Fort and voluntarily refrained from voting.

The Forty Fort school board raised the question of the district committee's authority to invoke suspension, and the committee asked the board of control for a ruling.

## Good Time Is Being Made Despite Rains

Good progress is being made on the highway jobs over the country at had been on the program for the summer despite the bad weather that has been encountered during the weeks passed. The rains have converted some of the roads into morasses of mud and have made work difficult. However, in spite of the difficulties, the men have done splendid work. The road through old vinevale park which is becoming a widely used has been resurfaced and is now in excellent shape.

On Matthews Run three and one-half miles of roadway are being graded and put in shape for gravel placement. Over Morrison Hill at Tidouche there is a five-mile stretch of road being built. Half this has been graded and put in shape for gravel placement and with good weather the job may all be finished this fall.

The department is also preparing for rough weather ahead and such trucking of cinders is being done. They are placed in strategic places ready for use on slippery roads. A heavy grader driven by a motor has arrived at the local highway building west of the city. It is expected to move more snow than one of the big truck plows and will be ready for use on deep snowfalls in the battle against drifts this coming winter.

## Moose Held Fine Meeting Wednesday

Warren Lodge Loyal Order of Moose, one of the outstanding lodges in Pennsylvania held a particular fine meeting last evening in the Moose building on Hickory street. The occasion was the first visit to Warren of the Rev. Donzel Payne, Protestant Chaplain of the Child City at Mooseheart, Ind.

The Rev. Payne arrived in Warren Tuesday night and yesterday was escorted about the city and shown many of the features of the community both industrial and scenic. He was much impressed by the beauties of the city.

Dinner was served to the Rev. Payne and the officers of the Warren Lodge at 6:30 at the Blue and White and following the dinner a special meeting of the lodge was held. It was a brief session and then the hall was thrown open and wives and sweethearts of the lodge members were admitted with Women of the Moose members.

The Rev. Payne gave a splendid address on the work being done at Mooseheart for children of Moose members and he outlined extensively the program of the institution and the potentialities of the Child City. His effect on the growing child physically and morally was touched upon. A description of the buildings etc., was given and those who heard the talk were greatly impressed.

Following the meeting a lunch was enjoyed and a social hour passed during which the Rev. Payne met many of the people of the Warren Lodge.

## Libby Lane To Head Bill at Outing Club

Warren folks who daily scan Charley Danvers' column in the Post-Gazette the other day noted a charming little gal embellishing the column. Her face bore a real smile and she just oozed personality in his photo. That was Libby Lane, ace character dancer of the Pittsburgh district. L. by is coming to Warren tomorrow and will display her charms and her excellent dancing for the patrons of the Outing Club over the weekend.

Frank Williams has scored in getting this little lady for the Club followers.

Dale Summers a clever emcee will guide the destinies of the show to be offered and he is a presentable young man with a charming singing voice that will win him many friends. "Chuck" Addison will round out the show. "Chuck" is a tapper of no mean ability and his work has won plaudits at some of the best clubs in the Smoky City.

There is just a possibility that Mr. Williams may bring Joan Barry, the protegee of Charlie Chaplin to the Outing Club at some future date. Miss Barry is under contract to Don Carlo, who handles the Pittsburgh bookings for the Warren club. She is now appearing for the second week at the Riviera Club, near Pittsburgh and is held over for the second week. On a recent visit to Pittsburgh Mr. Williams was photographed with Don Carlo and Miss Barry.
